To
The Board of Directors of Shivam Autotech Limited

Report on the Audit of Annual Financial Results

Opinion

We have audited the accompanying annual financial results of **Shivam Autotech Limited** (the "Company") for the quarter ended March 31, 2022 and the year to date results for the period April 01, 2021 to March 31, 2022 (the "Statement") attached herewith, being prepared and submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations"), which has been initialed by us for identification purpose.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Statement:

- (i) is presented in accordance with the requirements of the Listing Regulations in this regard; and
- (ii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India, of the net loss, other comprehensive profit and other financial information of the Company for the quarter ended March 31, 2022 and the year to date results for the period April 01, 2021 to March 31, 2022.

Basis for Opinion

We conducted our audit of the Statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 as amended ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Statement under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to:

- i. Note 4 in the Statements, wherein management has recognized deferred tax assets and minimum alternative tax (MAT) credit entitlement in earlier years which is available to the company on the assumption that there would be sufficient future taxable profits, more fully been explained in the said note for reversal of such deferred tax assets and minimum alternative tax.
- ii. Note 5 in the Statements, regarding the booking of material consumption and accounting impact of physical verification observations, more fully been explained in the said note.

Our opinion is not modified in respect of above matters.

Management and Board of Director's Responsibilities for the Annual Financial Results

The Statement, which is the responsibility of the Company's management and approved by the Board of Directors has been prepared on the basis of the annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net losses and other comprehensive profit of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act, read with relevant Rules issued thereunder and other accounting principles generally accepted in India and in compliance with the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on Auditing (SA) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Management and Board of Directors in terms of the requirements specified under the Listing Regulations.
- Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the

Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Statement of the company to express an opinion on the annual financial results.

Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a Statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

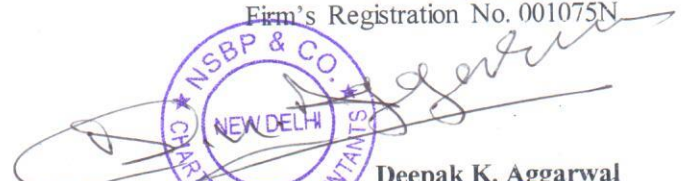

Other matter

The Statement includes the results for the quarter ended March 31, 2022 being the balancing figure between the audited figures in respect of the financial year ended March 31, 2022 and the published unaudited year to date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

Our opinion is not modified in respect of above matter.

- 4 Significant management judgement is considered in determining provision for income tax, deferred tax assets and liabilities and recoverability of deferred tax assets. The recoverability of deferred tax assets and Minimum Alternate Tax (MAT) entitlement is based on estimate of the taxable income for the period over which deferred tax assets will be recovered. The Company has unabsorbed business depreciation and MAT credit which according to the management will be used to set off taxable profit arising in subsequent years from operation. However, As a matter of prudence, Deferred Tax Assets including MAT Credit entitlement have been restricted to Rs.3,669.31 Lakhs created till March 31, 2021 and no deferred tax has been created during the quarter & period ended March 31st, 2022
- 5 Due to non- updation of Bill of material (BOM) and expansion of the customer base, quantitative variance were observed between physical and book records. Variance as observed has been considered as consumption of material for the preparation of the quarterly & year to date results.
- 6 The figures for the previous periods have been regrouped / rearranged wherever necessary to conform to current period classification, the figure for March quarter are audited with a note that these are balancing figures between audited figures for the year and unaudited figure for 9 months period ended December 31st, 2021
- 7 Company had opened right issue of equity share for the purpose of working capital requirement which was fully subscribed & allotted and the fund was utilised for the specified purpose as prescribed in the scheme documents during the year.
- 8 The results of the company are also available on stock exchange websites www.nseindia.com, www.bseindia.com and on the company website www.shivamautotech.com
