BAR RAISES MATTER, FLAGS 'SELECTIVE POTRAYAL'

Won't let anyone defame SC: CJ on NCERT book

EXPRESS NEWS SERVICE
New Delhi, February 25

TAKING NOTE OF a report by IE that the new Social Science textbook for Class 8 by National Council of Educational Research and Training (NCERT) includes a section on "corruption in the judiciary", Chief Justice of India (CJI) Surya Kant Wednesday took serious exception to the content and said he "will not allow anyone on earth to play with the integrity and to defame the institution".

"At any cost I will not permit anyone. Whosoever high it may be, the law must take its own course. And I know how to deal with that," the CJI said, after senior advocates Abhishek Manu Singhvi and Kapil Sibal raised the issue before the bench also comprising Justices Joymalya Bagchi and Vipul M Pancholi. Taking up the matter with the bench, and submitting that he was speaking for the Bar, Sibal said, "We are deeply disturbed, Class 8 students being taught that judiciary is corrupt..." Sibal also said he has "got copies of the book" and sought to share them with the bench. The CJI said, "I can assure all of you. I am fully aware of it." Sibal then expressed hope that the bench would "take suo motu notice of this matter". The CJI responded, "Wait for a day".

Singhvi said "the real problem is not the content, but the selectivity; it was a case of selective portrayal." The CJI said, "It definitely concerns the entire institution. The Bar and Bench, and every stakeholder in the system is really perturbed after seeing this. I am getting lots of calls, lots of messages... all my brother, sister judges in High Courts, everybody is perturbed. Now that you have mentioned it, I'm therefore mentioning. I have already passed an order, I am taking the matter suo motu."

Singhvi said the "selectivity is amazing" before adding that "one institution is plucked out as if there is no problem anywhere else." "Not a word about other sectors, public life, economy, bureaucracy," he said. Sibal

RAISING SERIOUS CONCERN

■ The new Social Science textbook for Class 8 by NCERT includes a section on corruption in judiciary
■ Senior advocate Kapil Sibal was deeply disturbed on students being taught that the judiciary is corrupt
■ Real problem is not content, but selectivity as it is a case of selective portrayal, said A Manu Singhvi

SURYA KANT,
CHIEF JUSTICE OF INDIA

Will not allow anyone on earth to play with the integrity and to defame the institution

At any cost I will not permit anyone. Whosoever high it may be, the law must take its own course. And I know how to deal with that

NCERT stops sale of textbook

CHIEF JUSTICE OF INDIA Surya Kant on Wednesday strongly objected to a chapter on judicial corruption in the NCERT's Class 8 social science curriculum, prompting the syllabus-setting body to withdraw the contentious textbook from its website.

A three-judge bench comprising the CJI and justices Joymalya Bagchi and Vipul M Pancholi took suo motu cognisance of the "objectionable" statements about the judiciary in the new textbook after senior

advocate Kapil Sibal, alongside Abhishek Singhvi, mentioned the matter for urgent consideration.

The NCERT (National Council of Educational Research and Training) social science textbook for Class 8 says corruption, a massive backlog of cases, and the lack of an adequate number of judges are among the challenges faced by the judicial system.

After stern words by the Supreme Court that it will not allow "anyone on earth" to tar-

nish the judiciary's integrity, the NCERT pulled the textbook from its website. The government was livid with the controversial references in the curriculum, sources said.

The council, responsible for school education curriculum, is also considering the removal of the controversial portions from the books already printed, sources said.

Several schools in the national capital, however, said they had no directive yet about whether or not to teach the portions in question. —PTI

chipped in with "politicians, ministers", before stating, "We know what it is."

Justice Bagchi said, "Connecting the Constitutional integrity to basic structure is missing in the structure of this book." The CJI said, "Tentatively it seems to be very calculated and deep rooted... But we will not say anything more than that. As head of the institution, I am aware, I am conscious and I have done my duty."

The book "Exploring Society: India and Beyond" Part 2: was released on Monday, and the section on "corruption in the judiciary" is part of a chapter on "The role of the judiciary in our society". IE reported Tuesday that the chapter lists among

"challenges" faced by the judicial system "corruption at various levels of the judiciary" and "massive backlog... on account of multiple reasons, such as a lack of an adequate number of judges, complicated legal procedures, and poor infrastructure".

The section on "corruption in the judiciary" also refers to the internal mechanism to maintain accountability, and an "established procedure for receiving complaints through the Centralised Public Grievance Redress and Monitoring System". Over 1,600 such complaints were received between 2017 and 2021, it said.

The section states, "...in cases where the allegations are serious, the Parliament can take

action and remove a judge by passing a motion of impeachment. Such a motion is considered only after a proper inquiry, during which the judge is given a fair opportunity to present their side of the case."

It states, "Nevertheless, people do experience corruption at various levels of the judiciary. For the poor and the disadvantaged, this can worsen the issue of access to justice. Hence, efforts are constantly being made at the State and Union levels to build faith and increase transparency in the judicial system, including through the use of technology, and to take swift and decisive action against instances of corruption wherever they may arise."

Cricket season spurs domestic travel boom

PRESS TRUST OF INDIA
New Delhi, February 25

BEYOND METROS

INDIA'S CRICKET SEASON is playing a part in fuelling domestic travel with demand across match-hosting cities, particularly beyond metros, growing significantly year-on-year (YoY), according to online accommodation hosting platform Airbnb.

Searches by Indian guests for several match-hosting cities like Ahmedabad, and beyond, such as Ranchi, Thiruvananthapuram, during the cricket season rose significantly compared to the same period last year, Airbnb said in a statement. Some of the strongest growth recorded in emerging cricket centres were beyond the metro circuit, it said.

Ranchi saw nearly a 120% increase in searches YoY, while Thiruvananthapuram recorded over 110% growth in searches YoY, it added. Jaipur and Lucknow witnessed increases of over 70% and 60% in searches YoY, respectively.

Currently, India is co-hosting the ICC men's T20 World Cup with Sri Lanka, with the final slated to be played on March 8. This will be followed by India's domestic league IPL, the full schedule for which is yet to be announced.

Airbnb said as per its data, high-profile fixtures are accelerating travel into tier-2 locations, broadening the geographic distribution of visitor demand beyond India's traditional gateway cities.
