Sub: Update on Incorporation of Wholly-Owned Subsidiary in UAE

Dear Sir/Madam,

Further to our earlier intimation regarding the proposed incorporation of a wholly-owned subsidiary in the United Arab Emirates (UAE), we wish to inform that the subsidiary has now been formally incorporated and is operational.

We have had the privilege of quietly serving our retail clients in the UAE behind the scenes. Today, we are proud to announce that Radiowalla, a Retail Media company, is officially part of the UAE with a local office now open through our wholly-owned subsidiary.

The subsidiary will bring integrated solutions across in-store audio, digital signage, and third-party audio & video advertising, helping brands and retailers create powerful and measurable customer engagement. We look forward to delivering bespoke branded music and immersive media experiences across the UAE's retail, F&B, hospitality, and public spaces, strengthening brand connections through sound and screen.
