Commenting on the performance Mrs. Shivani Sheikh, Chairman and Managing Director of Rajputana Industries Limited said, "FY25 has been a milestone year for Rajputana Industries, marked by strong operational execution, significant revenue growth, and our successful listing on NSE Emerge. Achieving significant year-on-year growth in total income reflects not only the increasing demand for quality non-ferrous metal products but also the trust our customers and partners place in us.

The non-ferrous metal recycling industry continues to play a crucial role in supporting global sustainability goals and the circular economy. With increasing demand across infrastructure, automotive, and electrical sectors, the outlook remains strong. We are well-positioned to capitalize on these trends through our integrated operations, efficient sourcing strategies, and commitment to quality.

Looking ahead, we are focused on capacity expansion, deepening our product portfolio, and adopting greener, more efficient manufacturing practices. As the industry evolves, we remain committed to delivering value while contributing to a more sustainable industrial future."

About Rajputana Industries Limited

Rajputana Industries Limited (Rajputana Industries, The Company) emerges as a prominent player in the non-ferrous metal recycling sector. The company offers a diverse array of products primarily crafted from Copper, Aluminium, Brass, and alloys. It sources scrap metal from open markets and employs an in-house manufacturing unit to transform these materials into premium Products. Over the past years, the company has outgrown itself into a distinguished large-scale organization specializing non-ferrous metals.

Rajputana Industries got listed on NSE Emerge on August 06, 2024.

For FY25, Rajputana Industries Limited reported ₹ 553.13 Cr in Total Income, ₹18.92 Cr in EBITDA, and ₹8.27 Cr in Net Profit.
