Lankan Navy arrest 23 Tamil Nadu fishermen

Chennai, Nov 10: The Sri Lankan Navy arrested 23 Tamil fishermen early on the morning of Sunday, November 10 for allegedly crossing the International Maritime Boundary Line (IMBL). Along with the fishermen, the Navy also seized three mechanised boats, according to Tamil Nadu coastal police authorities.

Since June 16, 2024, the Sri Lankan Navy has reportedly arrested 425 Tamil fishermen and seized 58 boats. Many of these fishermen are currently held in Sri Lankan jails. Anbumani Ramadoss, President of the Pattali Makkal Katchi (PMK) and a former Union Minister, has urged the Union External Affairs Minister to address these

ongoing mid-sea arrests of Tamil fishermen by the Sri Lankan Navy.

During a recent visit to Sri Lanka, the Union External Affairs Minister raised this issue with the Sri Lankan government, urging them to take steps to prevent further arrests and boat seizures.

In response to these ongoing arrests, fishermen association leaders in Tamil Nadu have been organising large-scale protests across the state.

A Thajudhin, the General Secretary of the Tamil Nadu Meenavar Peravai, stated that fishermen associations across the coastal districts are mobilising to protest the frequent arrests.

He said, "The livelihood of our

fishermen is under threat, and thousands who rely on fishing and related activities are facing severe hardship. A sense of fear has already taken hold among fishermen and their families regarding venturing out to sea."

Thajudhin further explained that the new Sri Lankan government is in the process of nationalising mechanised fishing boats seized from Tamil fishermen in mid-sea.

According to him, this action will devastate the fishing industry, as many fishermen took loans to purchase these expensive boats, expecting to repay them through their livelihood.

In response, the fishermen's association has written to Prime Minister Narendra Modi,

urging him to intervene and address the issue with the Sri Lankan government. They are requesting an end to the practice of mid-sea arrests and the seizure of costly mechanised boats that are critical to Tamil fishermen's livelihoods.

KM Periasamy, a fishermen leader from Ramana Thapuram, highlighted the emotional toll on the fishermen's families.

"Families are in deep distress due to regular arrests and attacks in mid-sea by the Sri Lankan Navy," he said, adding, "We are planning to meet with the Prime Minister and the Union External Affairs Minister to discuss the issues affecting our people."

'Govt's intensive efforts reduce dengue, control of vector borne diseases'

Chennai, Nov 10: The North east monsoon season often sees a rise in vector-borne diseases, especially Dengue, due to inevitable water stagnation in domestic and peri-domestic areas. During this period, Dengue cases are anticipated to increase between November and December months.

Amid the ongoing monsoon, Tamil Nadu is reporting sporadic cases of fever and Dengue across the State. In response, the Health and Family Welfare Department is intensifying monitoring and surveillance efforts to contain the spread of Dengue.

The Government of Tamil Nadu's intensive efforts to control Dengue have substantially reduced Dengue mortality and the spread of vector borne diseases is being controlled in the State.

Since January 2024 till 5th November, 20,138 Dengue cases have been reported in Tamil Nadu, with affected individuals recovering successfully. Unfortunately, 8 people lost their lives due to delay in seeking appropriate medical care. This includes the death of a young girl (6/F) from Chengalpattu District. Strict Government interventions are in place to prevent Dengue outbreaks and further reduce Dengue-related fatalities.

With these intensified Government measures, Dengue mortality has seen a notable reduction compared to previous years. Number of Dengue cases reported in Tamil Nadu (2022 to 2024) 30,425 (2022), 29,401 (2023), 20,138 (2024 till 5.11.24).

The Government of Tamil Nadu remains vigilant in monitoring Dengue incidence and is well-equipped to diagnose, treat, and prevent further cases in the state with the following key measures.

24/7 Fever Treatment Centres: All Government hospitals operate round-the-clock fever treatment centres.

Daily Fever Monitoring: Reports from 4,031 Government

and Private hospitals are scrutinized to allow for immediate intervention in affected areas.

Medical Camps: Mobile Medical teams have conducted 23,689 camps, treating over 13,18,349 people as of November 5, 2024. Nilavembu Kashayam is distributed for outpatients.

Laboratory Testing for Fever Patients: Fever testing is conducted in Government Headquarters hospitals, Medical college hospitals, District hospitals, and Taluk hospitals to treat seasonal diseases such as Dengue and Influenza. Dengue ELISA testing centres have expanded from 35 to 4,031 across Government and Private hospitals.

Intensive Vector Control: Fogging, larval source reduction, mosquito density monitoring and Mosquito pool analysis to detect the viral antigen are regularly conducted

across the Districts. Ample stocks of insecticides - Pyrethrum, Temefos, and Malathion are maintained for mosquito control.

Rapid Response Teams: District Health Officers lead teams in response and preventive actions in affected areas.

Domestic Breeding Checkers: 25,000 checkers are deployed daily for Dengue control in urban and rural areas.

Adequate Medical Supplies: Hospitals are sufficiently stocked with necessary medicines, blood and platelet transfusions, and testing consumables for Dengue management.

Public Awareness Initiatives: Educational materials on Dengue and other communicable diseases are widely distributed.

Interdepartmental co-ordination: Interdepartmental co-ordination between all line departments - Directorate

of Public Health and Preventive Medicine, Directorate of Medical & Rural Health Services,

The Directorate of Medical Education and Research, Municipal Administration and Water Supply Department, Directorate of Town panchayat, Rural and Panchayat Raj Department, Public Works Department, Tamil Nadu Water Supply and Drainage Board, Integrated Child Development Services (ICDS), School/ College Education, and Indian System of Medicine all work in co-ordination to intensify Dengue and other vector borne disease surveillance.

Weekly Review Meetings: The Director of Public Health and Preventive Medicine holds weekly reviews with District Health Officers to monitor the progress and to strengthen surveillance measures.

b. Diluted		(1.20)	(2.24)	(4.34)	(3.44)	(8.62)	(11.17)

Note:

- These financial results have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and in terms of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- The above financial results have been reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meeting held on 09th November 2024 and subject to limited review by the Statutory Auditors of the Company.
- The current quarter also witnessed sluggish demand for yarn with continued mismatch of the cotton prices compared to yarn price. Hence the company has under utilised its capacity for the current period also. As in the earlier period, the company worked single shift for the current period also and accordingly single shift depreciation has been provided for the said period/quarter. Consequently there has been reduction in production and revenue from operations. However the company has been taking efforts to reduce the losses for the period by taking various cost saving measures.
- The above is an extract of the detailed format of the Quarterly financial results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing and Obligations Disclosure Requirements) Regulations, 2015. The full format of the quarterly financial results are available on the website of the Stock Exchange (s) (URL: www.bseindia.com) and also on the Company's website (URL: www.sncmimdia.com)
- Previous period figures have been regrouped to conform with the classification adopted in these financial results.

Terrorists, security forces exchange fire in Srinagar

Srinagar, Nov 10: An encounter between security forces and terrorists occurred in Srinagar's Harwan area today, marking the latest incident in a series of attacks that Jammu and Kashmir has witnessed in recent weeks.

A gunfight erupted around 9 am in the forest area between Dachigam and the upper reaches of Nishat during

a cordon and search operation launched after receiving information about the presence of terrorists. No casualties have been reported so far. Jammu and Kashmir has witnessed multiple gunfights and terrorist attacks in recent weeks, resulting in the deaths of several terrorists and security personnel.

On Saturday, a terrorist was killed and

two to three others were trapped in an encounter with security forces in Jammu and Kashmir's Sopore. The security forces were on a search operation when the terrorists fired at them. In the retaliatory firing, one of the terrorists was killed. In another terrorist attack on November 8, two Village Defence Group (VDG) members were

kidnapped and killed in Kishtwar district. An offshoot of the Jaish-e-Mohammad terrorist organisation, called the 'Kashmir tigers,' claimed the responsibility of the attack. Meanwhile, in view of the increased terrorist activities, Army Chief General Upendra Dwivedi reviewed the prevailing security situation in Kathua district.

BJP MLA's cousin beaten to death in UP

Pilibhit (UP) Nov 10: A cousin brother of Bharatiya Janata Party (BJP) MLA from Purnapur Babu Ram Paswan was beaten to death in Ghunghchai area of Pilibhit district here in Uttar Pradesh, a police officer said here on Sunday. Circle Officer (CO) Vishal Chaudhary said that as per the complaint the deceased Phoolchand was having a dispute with his neighbour Mahendra. "On Saturday morning family members of Mahendra reached Phoolchand's house and had a scuffle," he said.

He said that a scuffle fight broke out again between the two parties after Mahendra's family tried to drag away the minor granddaughter of Phoolchand. "During this Mahendra's family members thrashed Phoolchand and his family members," he said. The CO said that the injured were admitted to the community centre where Phoolchand died during treatment.
