Independent Auditors' Review Report on the Quarterly and half year ended Unaudited Standalone Financial Results of Shree Rama Newsprint Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to The Board of Directors

Shree Rama Newsprint Limited

- 1. We have reviewed the accompanying statement of unaudited financial results of **Shree Rama Newsprint Limited** (the "Company") for the quarter and half year ended September 30, 2025 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
- This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
- We conducted our review of the Statement in accordance with Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial results consists of making inquiries, primarily of the company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

We draw attention to Note 5 of the quarter and half year ended unaudited financial results, which states that the company has incurred a total comprehensive loss of ₹ 2,048.51 lakhs for the half year ended September 30, 2025 (₹10,627.76 lakhs for the year ended March 31, 2025), and that, as at that date, the Company's current liabilities (pertaining to continuing operations) exceeded its current assets (pertaining to continuing operations) by ₹ 10,165.20 lakhs. As disclosed in the said note, these events or conditions, along with other matters described therein, indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. The unaudited financial results have been prepared on a going-concern basis, based on management's assessment, which is supported by its plan for the disposal of certain non-core assets to improve the Company's financial position.

Our conclusion is not modified in respect of this matter.

Emphasis of Matter Paragraph

6. We refer to note 3 of the quarter and half year ended unaudited financial results of the Company, wherein it has been stated that during the financial year 2022-23, the Paper Division of the Company had been classified as a discontinued operation. Consequently, the assets and liabilities related to the Paper Division, primarily comprising of plant and machineries, and other associated assets, are presented separately as discontinued operations. The Company keeps on disposing of assets of the Paper Division on a Piecemeal basis on successful negotiations with vendors. The company remains committed to the disposal of the remaining assets of the paper division and is actively exploring various alternatives to realise their value. Given the nature and geographical dispersion of these assets, along with the anticipated fair value realisable from the disposal of the assets of the Paper Division, there has been an extension of time for the disposal of these assets. During the quarter and nine months ended 31st December 2024, the Company had reassessed the fair valuation of the assets forming part part of the discontinued operations as per the requirements of Ind AS 105 - Non-current Assets Held for Sale and Discontinued Operations based on the valuer report and accordingly recognised a further impairement loss of Rs. 6,956.48 lakhs.

Our conclusion is not modified in respect of the above matter.

Notes:

- The above unaudited financial results for the quarter and half year ended September 30, 2025, were reviewed by Audit Committee and approved by the Board of Directors in their meetings held on November 13, 2025.
- These unaudited financial results have been prepared in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder, other accounting principles generally accepted in India and compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended from time to time. The statutory auditors have expressed an unmodified conclusion on these results.
- 3 During the financial year 2022-23, the Paper Division of the Company had been classified as a discontinued operation and approval of the shareholders was obtained on 26th September 2023 for disposal of all the assets of Paper Division. The plant and machinery and liabilities related to the Paper Division are presented separately as discontinued operations. For better realisation of the value of the assets, the Company is disposing these assets on a piecemeal basis and remains committed to the disposal of the remaining assets of the paper division.

Considering the response during the sale of assets and time being taken, during the quarter ended December 31, 2024, the Company has reassessed the fair valuation of the assets forming part of the discontinued operations as per the requirements of Ind AS 105 - Non-current Assets held for sale and discontinued operations based on the valuer report and accordingly, recognised an further impairment loss of Rs.6,956.48 lakhs.

- 4 The Paper division has been identified as Discontinued operations and accordingly, its operations are presented in accordance with Ind AS 105 and related assets and liabilities are shown separately from assets/liabilities pertaining to continuing operations. Since the paper division has been discontinued it is no longer an operating segment and the water bottle division is the only single operating segment as on June 30, 2025, accordingly segment reporting is not applicable in accordance with Ind AS 108.
- 5 The Company has incurred a total comprehensive loss of ₹ 2,048.51 lakhs for the half year ended September 30, 2025 (₹10,627.76 lakhs for the year ended March 31, 2025). As at that date, the Company's current liabilities (pertaining to continuing operations) exceeded its current assets (pertaining to continuing operations) by ₹ 10,165.20 lakhs. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and, therefore, the Company may be unable to realise its assets and discharge its liabilities in the normal course of business.

Despite the above, the financial results have been prepared on a going-concern basis, based on management's assessment of the Company's future operations and plans. The Company believes that management is in the process of disposal of certain non-core assets and exploring funding options to strengthen the working capital position, if required.

The management of the Company believes that these plans, once executed, enable the Company to meet its obligations as they fall due and continue its operations for the foreseeable future. Accordingly, the financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts or to the amounts and classification of liabilities that may be necessary if the Company is unable to continue as a going concern.

6 Due to losses of current half year ended on September 30, 2025, unabsorbed depreciation, and brought forward business losses, the Company has not made any provision for income tax. Further, the Company has not recognized deferred tax assets during the quarter, as there is uncertainty regarding the availability of probable future taxable profits against which such assets can be utilized.
