Woman held with exotic monkeys at B'loru airport was arrested in similar case last yr

SIDDHARTH PRABHAKAR
@Chennai

A 37-year-old Bengaluru woman arrested by Bengaluru Customs last week for trying to traffic three exotic monkeys from Bangkok was also arrested 18 months ago in a similar case at Chennai international airport, investigators have found, indicating the operation was carried out by the same international gang.

On August 1, the Bengaluru customs arrested Najama Syed Roshan, a resident of Bagalur in Bengaluru for carrying a silver gibbon and two Bornean white-bearded gibbons in her checked-in luggage on the TG-325 flight from Bangkok. While the three exotic baby monkeys, which are protected under

Schedule-IV of the Wildlife Protection Act, died in transit, Najama was arrested by the air intelligence unit (AIU) of Bengaluru customs.

Sources said that this is not the first time Najama is involved in trafficking of exotic species — on February 13, 2024, she was arrested by Chennai customs for bringing in two red-tailed Guenon, a rare monkey native to African jungles, from Bangkok to Chennai. What has piqued officials is that Najama had a different passport when she was arrested from Chennai last year, indicating a loophole to be probed.

Incidentally, customs investigations had found that she was supposed to deliver the monkeys to S Ravikumar, the dismissed Tamil Nadu police con-

by the alleged mastermind, a Tamilian living in Bangkok, to deliver the monkeys to Ravikumar for ₹30,000-₹50,000. As reported by *TNIE* earlier, Ravikumar allegedly used to coordinate with mules, take delivery of animals and sell them in the lucrative pet market through social media or transport them to dealers like Syed Liyaqath Ulla in Bengaluru.

Investigators tailing this case are piqued as Ravikumar, detained under Conservation of Foreign Exchange and Prevention of Smuggling Activities Act (COFEPOSA), was recently released on bail. Officials say that exotic wildlife smugglers from Malaysia and Thailand have shifted to Bengaluru and other airports due to greater vigil in Chennai.

stable, who was identified as the lynchpin of an international wildlife trafficking gang. Sources said that Najama was allegedly employed as a mule

50% off on metro tickets booked via Uber app

EXPRESS NEWS SERVICE @Chennai

UBER has enabled booking metro tickets through its app, in an attempt to allow commuters to plan door-to-door public transport journeys and get access to real-time transit updates. As part of the launch, Uber is offering Chennai users a 50% discount on metro tickets throughout August. Additional incentives include 50% off (up

to ₹20) on Uber Auto and Uber Moto rides that either begin or end at a metro station in the city.

"Our partnership with CMRL marks a significant milestone in our journey to make urban mobility more seamless, accessible, and efficient," said Manikandan Thangarathnam, senior director of mobility and platforms at Uber. "By integrating metro ticketing into the

app, we're reinforcing our commitment to being a one-stop solution for urban transport."

"Our AI systems can analyse commuting preferences to offer more personalised, efficient journeys," an Uber spokesperson said. CMRL MD M A Siddiqui said the partnership would help improve connectivity and support CMRL's broad-ramp push toward tech-enabled, commuter-friendly solutions.

45K STRAYS IN TAMBARAM CORPN TO GET ANTI-RABIES VACCINE

KUMARESAN S @Chennai

WHILE official numbers are yet to be released, primary reports of the Tambaram City Municipal Corporation's dog survey suggest that there may be 45,000 free-roaming stray dogs in the corporation area. With dedicated teams, TCMC is planning a large-scale Anti-Rabies Vaccination drive for all the 45,000 dogs within 50 days.

The drive, titled COHAB (Co-habitation) as part of the city's public health initiative, is expected to break the rabies transmission among dogs and the risk of transmission to humans. COHAB would also help reduce rabies-related mortality in dogs and promote safer human-animal coexistence, alongside a probable decline in dog bite incidents.

To ensure complete geographical coverage for the campaign, Tambaram has been divided into five operational zones. Each day, 10 dedicated teams will be deployed across these zones, which will vaccinate at least 100 dogs, bringing the total to 1,000 vaccinations per day. Each team comprises 10 members, divided into three specialised units - a catching unit (five members with a vehicle) for humane dog capture, a vaccination unit (two vets with a dedicated vehicle), and a support unit (two assistants and one supervisor) tasked with record-

keeping and operational support.

The campaign will run six days a week, from Monday to Saturday, over a planned 45-day period. Additional five days have been set aside for mop-up. Although the civic body is aiming at 100% coverage, sources said that by the end of the drive, at least 80% of the dogs would have been covered. It may be noted that the World Health Organization (WHO) recommends a minimum of 70% vaccination coverage to prevent rabies transmission in the canine population.

Besides, around 5,000 household pets, as estimated from the tentative reports of the survey,

will also be vaccinated as part of the drive. Residents have been urged to cooperate with the field teams and ensure that their pet dogs are vaccinated during the campaign.

"Through this systematic approach, we aim to eliminate rabies from our city. It's not just about dogs; it's about public safety, too," a senior TCMC official said.

ARV GOALS

- Break rabies transmission chain (dog to dog)
- Prevent rabies spread to humans (dog to humans)
- Reduce rabies-related mortality in dogs
- Promote safer and harmonious coexistence of dogs and humans
- Ensure probable reduction in dog bites

COHAB aims to eliminate rabies from our city. It's not just about dogs but about public safety, too.

17 years after father's murder, teen kills history-sheeter to avenge death

EXPRESS NEWS SERVICE @Chennai

A 19-year-old undergraduate student from an Arts and Science college in Kilpauk, allegedly murdered history-sheeter Rajkumar (42) on Wednesday to avenge his father's murder from 17 years ago.

The accused, Yuvanesh, and two of his college friends, including a 17-year-old, surrendered before the Anna Nagar police station on Wednesday night, a few hours after a gang of nine surrounded Rajkumar in his house in TP Chathiram and brutally murdered him with sharp weapons. The TP

Chathiram police filed a murder case and took them into custody, sources said.

A B-category history-sheeter, Rajkumar had purportedly quit criminal activities for the last 10 years and was living with his wife and two sons while running a 'Shamiana' business. Sources believe that Rajkumar

was one of the five men who were involved in the 2008 murder of Yuvanesh's father Senthil, also a history-sheeter and part of a ganja peddling business in the western part of the city. Three of the other accused in the case had already passed on, sources said.

Though Yuvanesh had been spoiling for revenge, a recent incident where Rajkumar supposedly mocked the teenager and warned him to stay off his radar particularly angered him, said police. He allegedly hatched a plan with his college friends, putting together a nine-member gang to murder Rajkumar.

They arrived in three two-wheelers on Wednesday afternoon and three of them chased him and then allegedly butchered him in a neighbour's house. While the accused escaped the spot, Rajkumar was rushed to the Kilpauk medical college where he was declared dead. A probe is under way.

Repro Home Finance reports strong growth, improves asset quality

Chennai, Aug 8: Repco Home Finance Limited (RHFL) has reported a robust performance in its Q1 results, with notable growth in loan sanctions, disbursements, and improvement in asset quality.

The significant rise in sanctions and disbursements reflects strong demand for housing finance and our team's customer outreach. We remain committed to maintaining asset quality while pursuing growth opportunities in the housing finance sector.

Loan sanctions rose 24.7% to Rs.907 crore (Rs.727 crore in Q1 FY24), while disbursements grew 21.8% to Rs.829 crore (Rs.680 crore last year). The loan book expanded 7.2% to Rs.14,690 crore from Rs. 13,701 crore a year earlier. Total income increased 5.9% to Rs.441 crore, and net interest income rose 9.5% to Rs.191 crore. Net profit stood at Rs.108 crore, up 2.4% from Rs.105 crore in the same period last year. The company

maintained a healthy loan spread of 3.3%.

Asset quality showed marked improvement, with the gross non-performing assets (GNPA) ratio reducing to 3.3% from 4.3% a year ago and net NPA at 1.2%.

RHFL's capital adequacy ratio remained strong at 38.69%, well above the 15% regulatory minimum.

The lender operates through 203 branches across India.

Loans to the non-salaried segment accounted for 52.3% of the book, while salaried borrowers made up 47.7%. Housing loans formed 72.4% of total advances, with home equity products at 27.6%.

BGM's Beyond Battlegrounds

Chennai, Aug 8: KRAFTON India has launched Beyond Battlegrounds, a digital storytelling initiative celebrating the spirit of Indian gaming through passionate BGM fans.

The campaign's first story features 28-year-old railway technician Karan Kargwal from Sri Ganganagar, Rajasthan, who built a full-scale, functional replica of the iconic BGM buggy on his rooftop—using only scrap metal, salvaged parts, his old bike's engine, and basic tools.

With no formal engineering training, Karan reverse-engineered the vehicle from game screenshots and 3D models, working weekends under the desert sun while balancing his job at Indian Railways.

"This buggy is more than just metal and wheels—it's proof that when passion meets purpose, even the most unexpected dreams can come alive," said Kargwal, crediting his family, followers, and BGM for turning his small-town build into a national story.

South India tops in life insurance ownership

Chennai, Aug 8: Axis Max Life Insurance's India Protection Quotient 7.0 reveals South India leading the country in financial preparedness, with 84% life insurance ownership, above the national urban average of 78%. The region also records the highest awareness and confidence, with 77% prioritising term plans for family security.

Women in South India outpace

men in ownership (86% vs. 83%) and score higher on financial knowledge and security, narrowing the gender gap seen nationally. Gen X and Gen Y are key drivers, showing strong adoption of term, savings, and market-linked products, reflecting disciplined, goal-based investing.

City-wise, Bengaluru leads on awareness (Knowledge Index 85), Hyderabad records the highest

security level (81%), and Chennai tops life insurance ownership at 91%. The study highlights a shift from cost to coverage, with nearly half of South Indians saving for long-term goals like children's marriage and home ownership. However, 1 in 3 urban South Indians have never considered term insurance, citing affordability and lack of urgency as barriers.

ESIC to expand hospitals in TN

Chennai, Aug 8: The Employees' State Insurance Corporation (ESIC), Chennai, is set to expand healthcare services for its insured members, with two new 100-bed hospitals under construction in Sriperumbudur and Thoothukudi, and plans to establish four more hospitals across Tamil

Nadu. Currently, the State has 11 ESIC hospitals - three directly run by the Corporation, including the ESIC Medical College and Hospital at K.K. Nagar, Chennai, and 100-bed hospitals in Tirunelveli and Tiruppur.

The remaining eight are managed

by the State government: 50-bed facilities in Salem, Hosur, Tiruchi, and Vellore; a 100-bed hospital in Sivakasi; a 200-bed facility in Madurai; a 506-bed hospital in Coimbatore; and a 616-bed facility in Ayanavaram.

In addition, Tamil Nadu has 241 ESIC dispensaries, officials said.

KGC College celebrates 11th National Handloom Day

Chennai, Aug 8: KGC College of Technology marked the 11th National Handloom Day in collaboration with the Development Commissioner for Handlooms, Ministry of Textiles, and the Weavers' Service Centre, Chennai. Organised by the School of Fashion Technology, the event brought together students, faculty, artisans, and officials to honour India's handloom heritage.

Dr. Anand Jacob Verghese, Chairman of the Hindustan Group of Institutions, said, "Handloom is more than just fabric; it represents our identity, heritage, and the soul of Indian craftsmanship. Through initiatives like these, we aim to revive pride in traditional weaves and support our artisans by bridging the gap between heritage and modern design education."

Activities included a Handloom Quiz, Saree Draping Competition, fashion show of student designs, and a documentary screening. A special exhibition showcased fabrics, weaving styles, and live demonstrations by artisans. The day

ended with a cultural programme celebrating India's textile traditions.
