# Central Bank of India OFS over-subscribed 2.35 times

**SELL-OFF BEGINS.** This is first offer-for-sale in a PSU this fiscal

Our Bureau  
New Delhi

**GOOD RESPONSE.** Retail investors and staff get to bid on May 25

The offer-for-sale of the Central Bank of India on Friday was over-subscribed by 2.35 times as non-retail investors showed optimism. With this, the government has decided to exercise the green shoe option and thus 8 per cent of its stake is being offloaded.

The offer price is ₹31, while share prices closed at ₹31.30 on Friday, which is over 7 per cent lower than previous closing.

"Offer-for-sale in Central Bank of India received enthusiastic response from investors and was over-subscribed 2.35 times on the first day. The government has decided to exercise the entire green shoe option," Secretary in the Department of Investment and Public Asset Management (DIPAM), Arunish Chawla said in a social media post.

Further, he said that retail investors and employees get to bid on May 25.

This is first OFS in a public sector institution during the current fiscal year. At the floor price, the government can earn over ₹2,244 crore. The sale of the entire 8 per cent will bring down the government's stake to 81.27 per

cent. This means another 6.27 per cent will be required to be sold to meet the minimum public shareholding norm, as suggested by market regulator SEBI.

On April 30, the bank reported a 30 per cent year-on-year (y-o-y) decline in fourth quarter (Q4FY26) standalone net profit at ₹724 crore against ₹1,034 crore in the year-ago quarter as it took a one-time impact of recognition of Deferred Tax Asset (DTA). The one-time impact of DTA recognition at about 25 per cent against about 35 per cent amounted to ₹632 crore. In FY26, the bank's standalone net profit was up about 15 per cent y-o-y at ₹4,369 crore (₹3,785 crore in FY25).

**INTERIM DIVIDEND**

The bank's board approved fourth interim dividend of ₹0.60 per equity share having face value of ₹10 each for

FY26. The board also approved capital raising plan for FY27 aggregating to ₹7,000 crore via through equity and debt.

Net interest income in the reporting quarter was up 18 per cent y-o-y at ₹4,002 crore (₹3,399 crore in the year ago period). Other income, including fee-based income, treasury income and recovery in written-off accounts, declined 33 per cent y-o-y to ₹1,150 crore (₹1,714 crore). Loan loss provisions declined 22 per cent y-o-y to ₹647 crore (₹830 crore). Net interest margin declined to 3.07 per cent against 3.40 per cent in the year ago period. GNPA's position improved to 2.67 per cent of gross advances as at March-end 2026 against 3.18 per cent as at March-end 2025.

Net NPA position, too, improved a shade to 0.49 per cent of net advances against 0.55 per cent.

# India, Cyprus sign six pacts to strengthen ties across mobility, innovation, education

Our Bureau  
New Delhi

**STRATEGIC ALLIANCE.** Prime Minister Narendra Modi with President of the Republic of Cyprus Nicos Christodoulides in New Delhi on Friday

India and Cyprus signed six agreements on Friday, including one on a Comprehensive Framework of Cooperation on Mobility, for easier movement of skilled workers and students.

In their bilateral consultations on Friday, Prime Minister Narendra Modi and Cyprus President Nicos Christodoulides elevated their ties to a strategic partnership and unveiled a five-year roadmap for defence cooperation.

"Welcoming the signing of the MoU on Comprehensive Framework of Cooperation on Mobility and the launch of a pilot European Union Legal Gateway Office in India, the leaders noted its role in promoting legal pathways for movement of professionals, skilled workforce and students and strengthening people-to-people ties between India and the EU," per a joint statement issued after the bilateral meeting.

The agreements signed by the two sides also include ones for deeper cooperation in areas of innovation, technology, education, culture as well as a joint working group on counter-terrorism.

Modi and Christodoulides also highlighted the oppor-

tunities that will arise through the implementation of the historic India-EU FTA concluded earlier this year and implementation of the ambitious India-Middle East-Europe Economic Corridor.

"Cyprus not only currently holds the Presidency of the European Union Council but is also emerging as an important investment gateway between India and the whole of Europe," Modi said.

"Cyprus is one of India's top 10 investors; over the

past decade, investment from Cyprus to India has almost doubled. Trust has grown between the two countries," he added.

**NEW AVENUES**

Modi noted in his statement that the strategic partnership will unlock commercial capital and open new avenues for Indian companies in Cyprus's infrastructure, energy, and agriculture sectors, while simultaneously boosting investment in India's booming shipping and maritime industries.

"The relationship between India and Cyprus has stood the test of time and again, with today's decision to upgrade the ties to strategic partnership, we are going to give new ambition and new momentum to our relationship," he said.

Modi said Indian professionals and students living in Cyprus are strengthening ties between the two countries and the two sides will soon conclude a comprehensive Migration and Mobility Partnership, as well as a Social Security Agreement.

## Venezuelan President unlikely to visit India next week

Amiti Sen  
New Delhi

Venezuela's interim President Delcy Rodriguez is unlikely to visit India amid the postponement of the first International Big Cat Alliance (IBCA) summit, scheduled early next month, due to the Ebola outbreak in Africa, sources said.

US Secretary of State Marco Rubio had mentioned Rodriguez's possible visit to India next week while talking to the American media on Thursday before departing for his diplomatic trip to Sweden and India.

"We also think there's op-

portunities with Venezuelan oil. In fact, it's my understanding that the interim President of Venezuela will be travelling to India next week as well," Rubio said while pitching for India-US energy cooperation.

While the Ministry of External Affairs has not commented on the statement, sources close to the development said that Rodriguez was not visiting. "No, the Venezuelan interim President is not visiting India next week," the source said.

Rodriguez was reportedly scheduled to visit New Delhi next week to attend the inaugural IBCA summit on June 1-2.

# India blocks China's request for WTO dispute panel on IT, solar

Amiti Sen  
New Delhi

India has officially blocked China's first request for the setting up of a dispute settlement panel at the WTO challenging its tariffs on specific high-tech goods and certain measures within its Solar Module Programme that incentivise local value addition.

"At the WTO's dispute settlement body (DSB) meeting on Friday, Beijing noted that it was not able to reach a mutually satisfactory solution in the consultations with India that were held on the issue and it had to, therefore, request for the panel," a

Geneva-based official said.

While India was able to block China's request for a dispute settlement panel this time, WTO rules specify that a country can't do so for a second time if the request is repeated by the complainant at a subsequent meeting of the DSB.

**CUSTOMS DUTIES**

Beijing alleges that New Delhi imposes customs duties on about a dozen imported IT products, including smartphones, that exceed

the bound rates established in India's WTO commitments. It says India is supposed to maintain zero tariffs on the identified IT goods. But India maintains that these products do not fall under its zero tariff commitments under the IT Agreement of 1996 as these

didn't exist then. China also claims that India's Solar Module Programme violates WTO rules by offering cash grants to domestic producers contingent on local value addition requirements. Beijing argues these incentives discriminate against foreign imports and constitute illegal incentives tied to the use of domestic goods.

India expressed regret over China's request for a WTO dispute panel and declined to accept it. It noted that it had engaged in exten-

sive consultations in good faith to reach a mutually satisfactory resolution, expressing surprise that Beijing had failed to genuinely consider the context of the policies, the source said. India strongly maintained that all the measures in question are fully compliant with WTO law.

Once the WTO's Dispute Settlement Body establishes the panel, it will hear arguments from both nations before issuing its final ruling. However, if either country

appeals the decision, the case will effectively enter a legal vacuum. Because the WTO Appellate Body currently lacks the required quorum of judges to function — due to a prolonged deadlock over appointments — any appeal will land in a permanent backlog, leaving the dispute unresolved indefinitely.

With a dysfunctional Appellate Body, an unfavourable decision by the dispute panel will not lead to any penalties on India if it decides to appeal it.

# HC rejects bail to nine held in Jana Nayagan film leak case

EXPRESS NEWS SERVICE @ Chennai

JUSTICE R Sakthivel of the Madras High Court has refused to grant bail to nine persons arrested in the case relating to the leak of 'Jana Nayagan' movie starring Chief Minister C Joseph Vijay.

The bail applications were filed by Srinath, Sanjay, Balakrishnan, Manikandan, Rudran, Rajesh, Prasanth, Selvam and Rajini. They had approached the high court following dismissal of their bail pleas by the principal sessions court.

The much-trumpeted movie was scheduled for release before Pongal festival in January but it hit the roadblocks as the Central Board for Film Certification did not grant the clearance leading to court litigations. In the meantime, certain persons connected to the editing work leaked several scenes of the movie on digital platforms on April 3.

# Ponraj gets bail over derogatory remarks on women TVK supporters

R SIVAKUMAR @ Chennai

THE Madras High Court has granted anticipatory bail to Dr V Ponraj, former scientific advisor to Dr APJ Abdul Kalam, in connection with the cases registered against him by the police for making derogatory comments against women supporting TVK.

Justice R Sakthivel passed the orders on Friday granting the pre-arrest bail in the cases registered against him by the Cyber Crime Wing of Greater Chennai Police based on a complaint lodged by TVK president C Joseph Vijay and the Cuddalore New Town police on the complaint by the party's district secretary. However, the judge said Ponraj ought to have exercised utmost caution and care before making such statements. He said the intent of the petitioner behind the material statements is a matter for trial and no comment can be expressed on the same at this stage by this court. However, he should be very careful during a public interview on the impact it may cause.

"In today's digital era, once a statement is made, that too in a digital platform, it cannot be easily withdrawn. Though the petitioner claims his statement to be one of societal interest, he ought to have exercised utmost care and caution before making a statement which could turn out to be a morally provocative one," the judge said in the order. He also remarked that a person claiming to be of high stature must exercise some self-restriction before delivering words in a public forum.

FOLLOWING the revoking of the Goondas Act against Savukku Shankar by the Tamil Nadu government on Tuesday, Shankar was released from prison on Friday.

Speaking to reporters, Shankar said that he was apprehensive that his frequent arrests would go to waste but the people of Tamil Nadu have made the right decision by overthrowing the DMK party and making MK

Stalin lose his seat in Kolathur. He said that he realised from reading the newspapers that the Chief Minister C Joseph Vijay is on the right track. The coalition government led by Tamilga Vetti Kazhagam (TVK) should complete its full term and work for the welfare of the people, he added.

He said, "In the past few years, the plight of Savukku Media employees and death of my mother was

witnessed by all including the TVK party and CM Vijay. So, I'm confident that the government would take necessary action against Arun IPS [former Chennai Police Commissioner]."

Talking about press freedom, he said that it was worse during the DMK regime as

they tried to curb every single ounce of criticism in the media. It even imprisoned several people criticising the government. But in this government, CM Vijay and other party officials are keenly watching the criticisms levelled at them and taking actions to correct or rectify. And since this is a coalition government, there will be more scope for democracy, he added.

Shankar said, "In this election, TVK secured votes across various age, class, caste and religious groups. Hence there is no problem in choosing a person from one caste group or another for the council of ministers"

tion government, there will be more scope for democracy, he added. Shankar said, "In this election, TVK secured votes across various age, class, caste and religious groups. Hence there is no problem in choosing a person from one caste group or another for the council of ministers. He has chosen eight ministers from the Dalit community which two major Dravidian parties were not able to do. This is an indicator that TVK government is focusing on Social Justice."

# No money for partner's funeral, man abandons her body on road

EXPRESS NEWS SERVICE @ Chennai

A 75-year-old woman's body was found stuffed inside a sack and abandoned on a roadside at Mukkanni Amman Koil Street in Trisulam near Pallavaram on Thursday, prompting an investigation by the Pallavaram police. The deceased was later identified as Bhakhyalakshmi, a flower vendor from the same locality on Friday.

Residents alerted police after noticing a foul smell coming from the sack lying by the roadside. When officers opened it, they found the woman's body with her hands and legs tied. The body was later shifted to Tambaram Government Hospital for post mortem examination.

Police inquiries revealed that Bhakhyalakshmi had been living in poverty after the death of her husband over a decade ago. None of her 10 children were supporting her. She later began living with Mohamed Hassan, 65, a hotel worker from Trisulam. Investigators said Hassan recently lost his job after several hotels in the area shut down due to a shortage of cooking gas cylinders, leaving the couple in financial distress. Bhakhyalakshmi reportedly died of illness on Wednesday.

Unable to afford funeral expenses, Hassan allegedly tied the body in a sack and abandoned it on the roadside, hoping authorities or passersby would arrange the final rites.

# 10-year-old missing girl found dead in suspected case of rape and murder

COIMBATORE: In a suspected case of rape and murder, a 10-year-old girl who went missing from Kannampalayam village in Coimbatore district on Thursday evening was found dead in a water body on Friday. The girl, a Class four student, lived with her parents at Bharathipuram of Pallapalayam near Kannampalayam Pirivu in Sulur taluk. Her parents used to work as daily wage labourers.

Police said she was playing near her house on Thursday evening when she disappeared.

When she did not return home, her parents filed a missing complaint with the Sulur police. Police registered a case and launched a search. On Friday evening, locals spotted a body floating in the Kannampalayam big tank, located behind the girl's residence. A police team rushed to the spot, retrieved the body, and sent it to ESI Hospital for postmortem. The parents later identified the body as their daughter. Police said the girl might have been

sexually assaulted before her body was abandoned in the isolated water body.

The Coimbatore district police have formed special teams to probe the case. Officers said two suspects have been identified and are being questioned. Parents and relatives of the minor girl blocked Trichy Road in front of Sulur Police Station on Friday night seeking fair investigation into the case and immediate arrest of the accused. ENS
