India's leading Cloud ERP Company
Ramco all set to storm Indonesian market
Partners with leading IT System Integrator Multipolar to tap the market

- To offer its proven and comprehensive ERP with rich functionality on the Cloud
- Partners Multipolar Technology, a leading Indonesian System Integrator to help Indonesian enterprises streamline operations at a fraction of the cost of a traditional ERP

Jakarta, Indonesia / Chennai, India – September 25, 2012 – Ramco Systems (BSE - 532370, NSE – RAMCOSYS, MSE – RSST); an enterprise software company focused on enterprise cloud platform, products and services, and **Multipolar Technology**, a wholly owned subsidiary of PT Multipolar Tbk today announced a strategic partnership to deliver Ramco's ERP on Cloud in Indonesia. The partnership marks the launch of Ramco's successful public Cloud ERP in Indonesia.

Ramco has been growing its presence in the APAC region. Already serving customers like Panasonic, SDV Logistics and others in Indonesia, Ramco's latest move further cements its position in the APAC region.

Addressing the media, **Mr. Virender Aggarwal, CEO, Ramco Systems**, said "Having successfully proved the model in home ground, we are now all set to take our cloud offering to global markets. Indonesia is a mature and high potential market in the APAC region, and Multipolar is a well recognized player. We are confident that this partnership will give us the right impetus for growth in the region."

Ramco ERP on Cloud helps customers automate and integrate all their business functions and processes without investing in new hardware, licenses, training, or additional IT staff. It is simple to use, while being comprehensive, flexible and scalable. Customers can choose to subscribe to the full suite ERP or select modules / processes as per their requirement.

Multipolar and Ramco will work towards promoting the benefits of Cloud technology and the advantages of moving enterprise applications on the Cloud. Speaking on the partnership, **Mr. Harijono Suwarno, President Director, Multipolar Technology** stated, "Ramco is a leading name in the global ERP market and we are happy to partner with them in bringing the highly successful Ramco ERP on Cloud to the Indonesian market. We have always strived towards offering best-in-class solutions to our customers and through this partnership we plan to tap into the growing market for cloud-based offerings in Indonesia."

Over the next three years, IDC expects spending on public IT cloud services to grow nearly threefold, reaching \$16.1 billion in Asia/Pacific (excluding Japan) or APEJ by 2015*. Indonesia is among the world's top 10 in the number of internet users – ranked #8 with nearly 55,000,000 Internet users as of March 2012 (Source: Internet World Stats' Top 20 list).
