Commenting on the Results, Shri Mahendrakumar Kabra, MD said, -

"We are pleased to begin FY27 with a strong set of results, delivering healthy growth in revenue and profitability. Our performance reflects robust demand across key end-user industries, disciplined execution and the benefits of our continued investments in expanding our business portfolio and manufacturing capabilities.

A key highlight of the quarter was the continued momentum in our Copper Tubes business, with its contribution to revenue rising to 26%, reflecting the success of our diversification strategy. As we continue to invest in capacity expansion and strengthen our presence through our subsidiary and joint venture, we are expanding our reach across high-growth end-use industries while building a more balanced and resilient business.

Looking ahead, we remain focused on driving sustainable growth through operational excellence, disciplined capital allocation and continued improvement in working capital efficiency. Supported by India's long-term investments in power infrastructure, manufacturing, electrification and energy-efficient cooling solutions, we are well positioned to capitalize on the opportunities ahead and further strengthen our market position. We remain committed to creating sustainable value for all our stakeholders"
