## NIIT Ltd. strengthens leadership with appointment of Harsh Kundra as Head of Technology

- *Brings leadership experience working with LEAD School, Jabong and Hindustan Times and strong entrepreneurial track record as Co-Founder of Tolexo Online*
- *Appointment aligns with NIIT's strategy to deepen its tech leadership and drive scalable, outcome-led learning*

**New Delhi, 07 July 2025:** NIIT Limited, a leading Skills & Talent development corporation, today announced the appointment of Harsh Kundra as Head of Technology, NIIT Digital. Harsh will lead Technology for NIIT Digital and spearhead the next phase of digital transformation across the organization.

Harsh brings over a decade of leadership experience across product engineering, digital transformation, and enterprise architecture. Prior to joining NIIT, he served as the CTO at LEAD school and played a pivotal role in scaling its ed-tech infrastructure across the country. His entrepreneurial journey includes co-founding and leading technology at two ventures — Tolexo Online and a B2B retail eCommerce platform. He has also held technology leadership positions at Jabong, Meritnation and Hindustan Times contributing to digital transformation initiatives across sectors including e-commerce, education, media, and SaaS.

An alumnus of Carnegie Mellon University, Harsh holds a master's degree in Human-Computer Interaction from the School of Computer Science.

A strategic thinker and hands-on technologist, Harsh is passionate about leveraging cutting-edge technologies to build solutions that create lasting business impact. His appointment comes at a time when NIIT is investing and expanding its outcome-led skilling models.

Commenting on the appointment, **Pankaj Jathar, CEO, NIIT Ltd.**, said *"We are delighted to welcome Harsh to the NIIT leadership team. His deep expertise in building scalable technology platforms and his experience across consumer and enterprise segments align well with our mission to deliver outcome-driven learning solutions. Harsh's leadership will be key as we continue to evolve NIIT's digital learning capabilities for the future of work."*

On his appointment, **Harsh Kundra, Head of Technology, NIIT Digital, NIIT Ltd.**, said *"NIIT is synonymous with high quality skilling for a lot of Indians, and over the years, the purview of skills has expanded beyond digital skills. I am excited to join NIIT at a pivotal time when technology is transforming the way we learn, work and grow. I look forward to working with the team to further strengthen our technology & AI roadmap and reimagine how learning is delivered in the digital-first world."*

Harsh's addition to NIIT's leadership marks a strategic step forward in the company's mission to deliver cutting-edge learning experiences aligned with the demands of the digital economy.

**About NIIT Limited:**

NIIT Ltd. is a leading skills & talent development corporation, set up in 1981 to help the nascent IT industry overcome its human resource challenges. A pioneer in the IT and business skilling domain, NIIT continues to lead the training and curriculum development in newer technologies such as AI, ML, Data Science etc. Over the years, the company has expanded to offer the complete suite of technical and soft skills development for its enterprise customers across industries such as Banking, Finance, Retail, Technology and Manufacturing. NIIT today ranks amongst the world's leading training organizations owing to its vast and comprehensive array of talent development programs.

NIIT Ltd. delivers a diverse range of learning and talent development programs to millions of individual and corporate learners in futuristic domains through its various businesses including NIIT Digital, StackRoute, RPS Consulting, iamneo, Institute of Finance Banking & Insurance (IFBI), TPaaS and Sales & Service Excellence (SSE).
