RateGain appoints Yogeesh Chandra as Chief Strategy Officer

New Delhi, April 28, 2023: RateGain Travel Technologies Limited, a global provider of SaaS solutions for travel and hospitality, today announced the appointment of Yogeesh Chandra as its Chief Strategy Officer. Yogeesh has worked at RateGain for over 12 years, playing multiple roles in setting up high-performance teams, go-to-market strategy, customer success, and product management with P&L ownership.

As a seasoned strategist with a proven track record of delivering results, Yogeesh has a deep understanding of the travel and hospitality industry, having worked across commercial teams of leading hotel brands.

In his new role, Yogeesh will oversee RateGain's strategic planning, business development, and corporate strategy initiatives. He will work closely with the executive team to identify and pursue new opportunities, optimize existing business lines, and shape the future direction of the company.

Bhanu Chopra, Founder and Managing Director of RateGain, said "Yogeesh has played an exceptional role in scaling RateGain over the last decade, and his exceptional leadership, strategic acumen, and industry expertise make him the perfect fit for this role. We are confident that he will play a pivotal role in shaping our company's strategic direction and driving growth to new heights."

Yogeesh Chandra expressed gratitude to RateGain for the opportunity and said, "I want to thank the management team and the board members for trusting me with this responsibility. Technology and Hospitality are both at an inflection point, creating new strategic opportunities for RateGain to grow, and I am excited about the future ahead. I look forward to collaborating with the team and making a meaningful impact on RateGain's growth trajectory."

About RateGain

RateGain Travel Technologies Limited is a global provider of SaaS solutions for travel and hospitality that works with 2800+ customers and 700+ partners in 100+ countries helping them accelerate revenue generation through acquisition, retention, and wallet share expansion.
