RateGain Appoints Chetan Garg as Chief Financial Officer

Chetan will lead RateGain's global finance function, bringing experience across capital markets, risk management and the integration of acquired businesses **India, 28 September 2026:** RateGain Travel Technologies Limited (BSE: 543417, NSE: RATEGAIN), a global leader in AI-powered SaaS solutions for the travel and hospitality industry, today announced the appointment of Chetan Garg as Chief Financial Officer, based in Noida.

Speaking on the appointment, Bhanu Chopra, Founder and Managing Director, RateGain Travel Technologies Limited, said, *"Strong finance leadership is central to how we run RateGain as a global, listed company. Chetan has led finance across complex operations at Optum and Whirlpool, worked on integrating acquired businesses, and built the kind of governance the Board and our investors rely on. He brings discipline and sound judgment to the role, and I am glad to welcome him to our leadership team".*

Chetan Garg, Chief Financial Officer, RateGain Travel Technologies Limited, said, *"RateGain is an Indian technology company that has built a global business, with data at its core and AI already delivering results for its customers. My focus is to turn that growth into consistent returns, by putting capital where it earns the most and building a finance function suited to a company of this scale. I look forward to working with Bhanu, the leadership team and the Board to do that".*

Chetan brings nearly two decades of financial and business leadership experience across healthcare, consumer durables and consulting. Most recently he was Chief Financial Officer of Optum India, part of UnitedHealth Group. There he played a key role in financial governance, risk and cost management, and capital allocation, and he was instrumental in integrating acquired entities in India. Before Optum, he held finance leadership roles at Whirlpool Corporation in the US and India, across commercial business units, corporate treasury, manufacturing, internal audit, controllership and global finance operations. His last role at Whirlpool was Vice President of Finance for Whirlpool Asia. He began his career as a management consultant with PwC and Deloitte India, advising clients across the public sector, manufacturing and consumer products. He holds an MBA in Finance from Cornell University and a B.Tech from IIT Madras.
