Dear Sir/Madam,

Sub: Clarification On Discrepancies in The Financial Results Submitted in XBRL

We refer to your email dated July 7, 2025 regarding the Audited Financial Results, for which the below discrepancies were identified:

1. Total Expenses, Profit Before Tax (PBT), Earning Per Share (EPS) incorrect in the Standalone XBRL.

We would like to clarify that the Company had shown Profit (loss) from discontinued operations before tax under other expenses (Cell g-2) instead of point 12. Further, EPS figure was given in rounded off figures without decimals.

We have now rectified the above figures and filed the revised XBRL file with the exchanges on July 7, 2025.

Hope the above adequately addresses your query.

Thanking you.

Yours faithfully,
For **RAYMOND LIMITED**
