RISK FACTORS

The risk factors set forth below are limited to this Open Offer, the Underlying Transaction contemplated under the Investment Agreement and the Acquirer, and are not in relation to the present or future business operations of the Target Company or other related matters. These are neither exhaustive nor intended to constitute a complete analysis of all the risks involved in the participation by Public Shareholders in this Open Offer, or in association with the Acquirer, but are merely indicative in nature. Public Shareholders are advised to consult their stockbrokers, legal advisors, investment consultants and/or tax advisors, for understanding and analysing all risks associated with respect to their participation in this Open Offer. The Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Open Offer, or in respect of any other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer and the Manager do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Letter of Offer.

For capitalised terms used herein please refer to the section on Definitions and Abbreviations set out below.

1. Risks relating to the Open Offer and the Underlying Transaction:

- 1.1 This Open Offer is an open offer under the SEBI (SAST) Regulations to acquire up to 415,586,443 (four hundred and fifteen million five hundred and eighty-six thousand four hundred and forty-three) Equity Shares representing 26.00%* (twenty-six per cent.) of the Expanded Voting Share Capital (*as defined below*), from the Public Shareholders.

**The Open Offer size is subject to the MPS Proportionate Reduction, such that the resulting shareholding of the Acquirer on completion of the Open Offer and the Underlying Transaction does not exceed 75.00% of the Expanded Voting Share Capital.*

- 1.2 The consummation of: (a) the Underlying Transaction is subject to the satisfaction of the conditions precedent specified in the Investment Agreement (unless waived or deferred in accordance with the terms of the Investment Agreement) and receipt of all the Required Statutory Approvals (which have already been received as on the date of this Letter of Offer) as set out in paragraph 1 of Part C (*Statutory and other Approvals*) of Section VII (*Terms and Conditions of the Offer*), and (b) the Open Offer is subject to the receipt of all the Required Statutory Approvals (which have already been received as on the date of this Letter of Offer) as set out in paragraph 1 of Part C (*Statutory and other Approvals*) of Section VII (*Terms and Conditions of the Offer*). If the aggregate foreign investment limits of the Target Company as on the date of (and immediately prior to) the closure of the Open Offer are not sufficient enough to enable the Acquirer to acquire a minimum of 51.00% (fifty-one per cent.) of the issued and paid up equity share capital of the Target Company, factoring the following: (i) subscription to the Subscription Shares; and (ii) the acquisition of the Tendered Shares, then the Acquirer shall be entitled to terminate the Investment Agreement and will apply to SEBI for withdrawal from the Open Offer. Such right will be exercised pursuant to Regulation 23(1)(d) of the SEBI (SAST) Regulations, wherein SEBI has the discretion to permit withdrawal on merits based on an application made by the Acquirer. Further, in the event that the conditions precedent as specified in the Investment Agreement (as set out at paragraph 11(ii) of Part III (A) (*Background to the Open Offer*) of this Letter of Offer) which are outside the reasonable control of the Acquirer are not satisfied (or waived in accordance with the Investment Agreement) by the Cut-Off Date (*as defined in the Investment Agreement*), and the Investment Agreement terminates in accordance with the terms thereunder, then the Acquirer shall have the right to withdraw the Open Offer in terms of Regulation 23 of the SEBI (SAST) Regulations. In the event of such withdrawal of the Open Offer, the Acquirer (through the Manager) shall, within 2 (two) Working Days of such withdrawal, make an announcement of such withdrawal, in the same newspapers in which the Detailed Public Statement was published, stating grounds for the withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations.
- 1.3 If: (a) there is any litigation leading to a stay/injunction on the Open Offer or that restricts/restrains the Acquirer from performing its obligations hereunder; or (b) SEBI instructs the Acquirer not to proceed with the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer. In case any other statutory approval or other governmental approval that

may be required by the Acquirer is not received in time, SEBI may, if satisfied, that such delay in receipt of any statutory or other approval was not attributable to any wilful default, failure or neglect on the part of the Acquirer to diligently pursue such approval, grant an extension of time to the Acquirer for making payment of the consideration to the Public Shareholders whose Offer Shares have been accepted in the Open Offer, subject to such terms and conditions as may be specified by SEBI, including payment of interest, if any, in accordance with Regulation 18(11) read with Regulation 18(11A) of the SEBI (SAST) Regulations. In addition, where any statutory approval extends to some but not all of the Public Shareholders, the Acquirer shall have the option to make payment to such Public Shareholders in respect of whom no statutory approvals are required in order to complete this Open Offer.

- 1.4 Other than the Required Statutory Approvals (which have been already obtained) as set out in Part C (*Statutory and Other Approvals*) of Section VII (*Terms and Conditions of the Open Offer*), as on the date of this Letter of Offer, there are no other statutory or governmental approvals required for the consummation of the Underlying Transaction and the Open Offer. However, if any other statutory or governmental approval(s) are required or become applicable at a later date before closure of the Tendering Period, this Open Offer shall be subject to such statutory approvals and the Acquirer shall make the necessary applications for such statutory approvals and the Underlying Transaction and the Open Offer would also be subject to such other statutory or other governmental approval(s) and the Acquirer shall make the necessary applications for such other approvals. Please refer to paragraph 1 of Part C (*Statutory and Other Approvals*) of Section VII (*Terms and Conditions of the Open Offer*) of this Letter of Offer for further details on the status of the Required Statutory Approvals. The date of receipt of the last of the Required Statutory Approvals, i.e. the DPIIT Approval, is 14 May 2026. Further, SEBI, vide e mail dated 22 April 2026, granted an extension for the Open Offer and directed the Acquirer to pay interest at the rate of 10.00% (ten per cent.) per annum for the delay. Accordingly, the Acquirer has agreed to pay the Applicable Interest.
- 1.5 All Public Shareholders (including resident or non-resident shareholders) must obtain all requisite approvals required, if any, to tender the Offer Shares (including without limitation, the approval from the RBI) held by them, in the Offer and submit such approvals, along with the other documents required to accept this Offer. In the event such approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares tendered in the Offer. Further, if the Public Shareholders who are not persons resident in India had required any approvals in respect of the transfer of Equity Shares held by them, they will be required to submit such previous approvals that they would have obtained for holding the Equity Shares, to tender the Equity Shares held by them pursuant to this Open Offer, along with the other documents required to be tendered to accept this Open Offer. In the event such prior approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares tendered in this Open Offer. Public Shareholders classified as OCB, if any, may tender the Equity Shares held by them in the Open Offer pursuant to receipt of approval from RBI under FEMA. Such OCBs shall approach the RBI independently to seek approval to tender Equity Shares held by them in the Open Offer pursuant to receipt of approval from RBI under FEMA. If the Equity Shares are held under general permission of the RBI, the non-resident Public Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on a repatriable basis or a non-repatriable basis.
- 1.6 Equity Shares, once tendered through the Form of Acceptance-cum-Acknowledgement in the Open Offer, cannot be withdrawn by the Public Shareholders, even if the acceptance of their Equity Shares in this Open Offer and payment of consideration are delayed. The tendered Equity Shares and documents will be held in trust by the Registrar to the Offer until such time as the process of acceptance of tenders and the payment of consideration is complete. The Public Shareholders will not be able to trade in such Equity Shares which have been tendered in the Open Offer during such period, even if the acceptance of the Equity Shares in this Offer and/or payment of consideration are delayed. During such period, there may be fluctuations in the market price of the Equity Shares. Neither the Acquirer nor the Manager to the Offer make any assurance with respect to the market price of the Equity Shares, both during the period that the Open Offer is open and upon completion of the Open Offer, and each of them disclaim any responsibility with respect to any decision taken by the Public Shareholders with respect to whether or not to participate in the Open Offer. The Public Shareholders will be solely responsible for their decisions regarding their participation in this Open Offer.

- 1.13 The Acquirer and the Manager to the Offer accept no responsibility for statements made otherwise than in the Public Announcement, the Detailed Public Statement, the Draft Letter of Offer, the SEC Corrigendum, the RSA Corrigendum, the April Corrigendum and this Letter of Offer or in the advertisement or any corrigenda or materials issued by or at the instance of the Acquirer excluding such information pertaining to the Target Company, which has been obtained from publicly available sources or provided or confirmed by the Target Company. Each of the Acquirer or the Manager to the Offer expressly disclaim any responsibility or obligation of any kind (except as required under applicable law) with respect to any decision by any Public Shareholder on whether to participate or not in this Open Offer. III. DETAILS OF THE OPEN OFFER

A. Background to the Open Offer

1. The Open Offer is a mandatory open offer being made by the Acquirer in terms of Regulation 3(1) and Regulation 4 of the SEBI (SAST) Regulations pursuant to the execution of the Investment Agreement to acquire in excess of 25.00% (twenty-five per cent.) of the equity share capital of the Target Company and control over the Target Company.
2. The board of directors of the Acquirer, at their meeting held on 18 October 2025, have, *inter alia*, approved the proposed subscription of up to 60.00% (sixty per cent.) of the total paid-up share capital of the Target Company by way of subscription of the Subscription Shares, subject to closing occurring under, and in accordance with the terms of, an investment agreement proposed to be executed with the Target Company. Accordingly, the Acquirer has entered into an investment agreement dated 18 October 2025 with the Target Company as amended by the Amendment Agreement (*as defined below*) (together, the “**Investment Agreement**”) pursuant to which the Acquirer has agreed to subscribe to, and the Target Company has agreed to issue and allot to the Acquirer by way of preferential issue, the Subscription Shares at a price of ₹280.00 (two hundred and eighty rupees) per Equity Share (“**Subscription Price**”) amounting to a maximum aggregate of ₹ 268,532,778,080 (two hundred sixty-eight billion five hundred thirty-two million seven hundred seventy-eight thousand eighty rupees), in accordance with the terms and conditions of the Investment Agreement, and provided that the acquisition of the Subscription Shares along with the Offer Shares does not result in breach of the: (a) the MPS Cap; and (b) the Foreign Shareholding Threshold.
3. Under the NDI Rules, foreign banks may operate in India only through one of the following three channels: (a) branches; (b) a wholly owned subsidiary; or (c) a subsidiary with aggregate foreign investment of up to 74.00% (seventy-four per cent.) in a private bank (“**Subsidiary Mode of Presence**”). The Target Company is a listed banking company, and even post consummation of the Transaction, will continue to remain listed in India with public shareholding. Accordingly, the only route available for the Acquirer (being a foreign bank) for operating in India is through the Target Company in the Subsidiary Mode of Presence. Consequently, the Acquirer intends to acquire a minimum of 51.00% (fifty-one per cent.) and a maximum of 74.00% (seventy-four per cent.) of the total paid-up equity share capital of the Target Company (through a combination of acquisition of the Subscription Shares and the Tendered Shares) and operate in India through the Subsidiary Mode of Presence.
4. Since the Acquirer has entered into an agreement to acquire voting rights in excess of 25.00% (twenty-five per cent.) of the equity share capital of the Target Company and control over the Target Company, the Open Offer is being made under Regulation 3(1) and Regulation 4 of the SEBI (SAST) Regulations. Pursuant to the Open Offer and consummation of the transactions contemplated under the Investment Agreement, the Acquirer will have control over the Target Company and the Acquirer will become the promoter of the Target Company in accordance with the provisions of the SEBI (LODR) Regulations. The Acquirer will appoint certain individuals as nominee directors on the board of directors of the Target Company upon consummation of the transactions contemplated in the Investment Agreement.
5. If the shareholding of the Acquirer in the Target Company computed as the sum of: (a) number of Equity Shares validly tendered by the Public Shareholders and accepted in the Open Offer (i.e., the Tendered Shares); and (b) the Equity Shares agreed to be subscribed by the Acquirer under the Investment Agreement (i.e., the Subscription Shares), exceeds the MPS Cap, then the Acquirer will undertake a proportionate reduction of the Tendered Shares and Subscription Shares in compliance with Regulation 7(4) of the SEBI (SAST) Regulations so as to ensure that, upon the completion of the Transaction, the aggregate shareholding of the Acquirer in the Target Company does not exceed the MPS Cap (“**MPS Proportionate Reduction**”). In addition, if the aggregate of the Subscription Shares and the Tendered Shares (and, if the MPS Cap is also breached, after undertaking the MPS Proportionate Reduction) along with the rest of the foreign shareholding in the Target Company exceeds the Foreign

Shareholding Threshold (as of the close of the trading day immediately preceding the completion date under the Investment Agreement), then the Acquirer will acquire such lesser number of Subscription Shares such that the aggregate of the Subscription Shares, the Tendered Shares and the rest of the foreign shareholding in the Target Company does not exceed the Foreign Shareholding Threshold (collectively with the MPS Proportionate Reduction, referred to as the “**Proportionate Scale Down and Contractual Reduction Mechanism**”).

6. The application of the MPS Proportionate Reduction involves an inherent circularity, in that the maximum number of shares that the Acquirer may hold without breaching the MPS Cap is itself a function of the issued and paid-up share capital of the Target Company post-issuance of the Subscription Shares, which in turn depends on the number of Subscription Shares (as reduced). When undertaking the MPS Proportionate Reduction, the calculation involves a circular dependency where:

- (i) The total excess shares to be reduced depends on the sum of the Tendered Shares and the Subscription Shares.
- (ii) The proportionate reduction of the Tendered Shares and the Subscription Shares is required to be calculated by reference to their respective shares of that aggregate.
- (iii) However, the aggregate itself changes as reductions are applied, since the issued and paid-up share capital of the Target Company post-issuance is dependent on the (reduced) Subscription Shares.

Mathematical resolution: The circularity is resolved by applying the proportionate reduction using the original (pre-reduction) proportions of the Tendered Shares and the Subscription Shares as the basis for the allocation, and by solving for the reduced Subscription Shares. The mechanics for calculation are as follows:

- (a) **Step 1:** Maximum shares allowable under the MPS Cap = $75\% \times (\text{existing issued and outstanding share capital of Target Company} + \text{reduced Subscription Shares (calculated below)})$.
- (b) **Step 2:** Total excess = (original Tendered Shares + original Subscription Shares) - Maximum shares allowable under MPS Cap.
- (c) **Step 3:** Proportionate reduction using original ratios:

$$\text{Reduction in Tendered Shares} = \text{Total excess} \times (\text{original Tendered Shares} \div \text{original Tendered Shares} + \text{original Subscription Shares}).$$

$$\text{Reduction in Subscription Shares} = \text{Total excess} \times (\text{original Subscription Shares} \div \text{original Tendered Shares} + \text{original Subscription Shares}).$$

- (d) **Step 4:** Final Acquirer Shareholding:

$$\text{Final Tendered Shares} = \text{Original Tendered Shares} - \text{Reduction in Tendered Shares}.$$

$$\text{Final Subscription Shares} = \text{Original Subscription Shares} - \text{Reduction in Subscription Shares}.$$

then the Acquirer will undertake a proportionate reduction of the Tendered Shares and Subscription Shares in compliance with Regulation 7(4) of the SEBI (SAST) Regulations so as to ensure that, upon the completion of the Transaction, the aggregate shareholding of the Acquirer in the Target Company does not exceed the MPS Cap

⁽⁶⁾ Please refer to paragraphs 2, 3, 4, 5, 6 and 7 of Section III(A) (Background to the Open Offer) of this Letter of Offer above for further details in connection with the Underlying Transaction.

- (1) The Subscription Shares shall be allotted within the timelines prescribed under Regulation 170 of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended, read with the third proviso to Regulation 7(4) of the SEBI

(SAST) Regulations (i.e., within a period of 15 (fifteen) days from the date of closure of the Tendering Period for the Open Offer), in accordance with the terms set out in the Investment Agreement.

- (2) The number of Equity Shares to be issued and allotted to the Acquirer by way of the Preferential Issue shall be 959,045,636 (Nine hundred fifty-nine million forty-five thousand six hundred thirty-six) Equity Shares or such lower number of Equity Shares which is equivalent to 60% (sixty per cent.) of the total paid-up share capital of the Target Company as on the date of consummation of the Underlying Transaction, and will be further subject to the Proportionate Scale Down and Contractual Reduction Mechanism.
 - (3) The minimum number of Equity Shares to be acquired by the Acquirer under the Investment Agreement will depend on the issued and outstanding equity share capital of the Target Company upon completion of the Underlying Transaction, depending on the change in the equity share capital of the Target Company on account of any exercise of vested employee stock options during the offer period of the Open Offer as well as the number of Tendered Shares and the level of foreign shareholding in the Target Company immediately prior to the completion of the Underlying Transaction.
 - (4) Voting rights for the Acquirer in the Target Company shall be capped at the level prescribed in Section 12(2) of the Banking Regulation Act, 1949 (as amended) and guidelines issued by the RBI from time to time (i.e., voting rights of the Acquirer in the Target Company will be capped at 26.00% of the paid-up share capital of the Target Company).
 - (5) The entire Subscription Price for each Subscription Share shall be payable by the Acquirer at the time of subscription of the Subscription Shares by the Acquirer pursuant to the Preferential Issue.
 - (6) If the aggregate foreign investment limits of the Target Company as on the date of (and immediately prior to) the closure of the Open Offer are not sufficient enough to enable the Acquirer to acquire a minimum of 51.00% (fifty-one per cent.) of the issued and paid up equity share capital of the Target Company, factoring the: (a) subscription to the Subscription Shares; and (b) the acquisition of the Tendered Shares, then the Acquirer shall be entitled to terminate the Investment Agreement and will apply to SEBI for withdrawal from the Open Offer. Such right will be exercised pursuant to Regulation 23(1)(d) of the SEBI (SAST) Regulations, wherein SEBI has the discretion to permit withdrawal on merits based on an application made by the Acquirer.
9. There are no other allottees other than the Acquirer in the Underlying Transaction i.e., the Preferential Issue.
10. In terms of Regulation 167(1) of the SEBI (ICDR) Regulations, given that: (a) the Acquirer will be the promoter of the Target Company post-completion of the Underlying Transaction; and (b) the Investment Agreement contemplates a preferential allotment of Subscription Shares up to a maximum of 60.00% (sixty per cent.) of the post-issue paid-up share capital of the Target Company to the Acquirer, such number of Subscription Shares acquired by the Acquirer that is equal to 20.00% (twenty per cent.) of the total capital of the Target Company will be locked in for a period of 18 (eighteen) months while the remaining Subscription Shares acquired by the Acquirer will be locked in for a period of 6 (six) months, in each case, from the date the Stock Exchanges grant their approval for trading. Further, under applicable RBI regulations, where an investor is permitted to hold more than 40.00% (forty per cent.) of the paid-up equity share capital of a private sector bank, 40.00% (forty per cent.) of such shareholding is required to be locked in for a period of 5 (five) years from the date of acquisition.
11. The in-principle approval for the issuance and listing of the Subscription Shares was received by the Target Company from the Stock Exchanges on 21 November 2025. Additionally, the details of the proposed subscription by the Acquirer has been provided below:

35. General Provisions

- I.1.1 This Open Offer will be executed off – market and Securities Transaction Tax (“STT”) will not be applicable to the Equity Shares accepted in the Offer.
- I.1.2 The basis of charge of Indian income tax under the Income Tax Act depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from 1 April until 31 March.
- I.1.3 A person who is a tax resident under the IT Act is liable to income tax in India on such person’s worldwide income, subject to certain tax exemptions, which are provided under the IT Act.

In case of shares of a company, the source of income from sale of shares depends on the “situs” of such shares. Based upon the judicial pronouncements, generally the “situs” of the shares is where a company is “incorporated” and where its shares can be transferred.

- I.1.6 Further, the non-resident shareholder can avail benefits of the Double Taxation Avoidance Agreements (“DTAA”) between India and the respective country of which the said non-resident shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions present in the said DTAA (if any) read with the relevant provisions of the Multilateral Convention to Implement Tax Treaty related Measures to Prevent Base Erosion and Profit Shifting (“**Multilateral Instrument/MLI**”) as ratified by India with the respective country of which the said shareholder is tax resident; (b) meeting the anti-abuse tests under General Anti-Avoidance Rule (“**GAAR**”) and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.

- I.1.8 As per the provisions of the IT Act, the Public Shareholders would be required to file an annual income-tax return, as may be applicable to different category of persons, with the Indian income tax authorities, reporting their income for the relevant tax year.

XI. OTHER INFORMATION

1. In this Letter of Offer, any discrepancy in any table between the total and sums of the amount listed is due to rounding off and/or regrouping.
2. In this Letter of Offer, all references to "AED" are references to United Arab Emirates Dirham(s).
3. This Letter of Offer, the Detailed Public Statement, the Public Announcement, the Draft Letter of Offer, the SEC Corrigendum, the RSA Corrigendum and the April Corrigendum shall also be available on SEBI's website (<https://www.sebi.gov.in/>).
4. A corrigendum dated 3 November 2025 to the Public Announcement and Detailed Public Statement, each, ("**SEC Corrigendum**") was published on 4 November 2025 by the Manager on behalf of the Acquirer. The SEC Corrigendum was issued to introduce the grant of 'no-action request letter' from the SEC for exemptive relief from the SEC in order to allow the Open Offer to be made to U.S. Public

Shareholders, and accordingly the definition of the Required Statutory Approvals in the Draft Letter of Offer was revised.

5. A corrigendum dated 2 February 2026 to: (a) the Public Announcement, Detailed Public Statement, each, read with the SEC Corrigendum, and (b) Draft Letter of Offer ("**RSA Corrigendum**") was published on 3 February 2026 by the Manager on behalf of the Acquirer. The RSA Corrigendum amended the definition of "Required Statutory Approvals" in the Public Announcement, Detailed Public Statement and Draft Letter of Offer to include, as additional Required Statutory Approvals, the prior approvals/no-objections (as applicable) from: (i) SEBI for change in control in relation to the following SEBI intermediary registrations held by the Target Company, namely: (a) SEBI registered banker to an issue; (b) SEBI registered merchant banker; and (ii) SEBI, CDSL and NSDL for change in control in relation to its depository participant registration.
6. A corrigendum dated 11 April 2026 to the: (a) Public Announcement, Detailed Public Statement, each, read with the SEC Corrigendum and RSA Corrigendum and (b) Draft Letter of Offer read with the RSA Corrigendum ("**April Corrigendum**") was published on 12 April 2026 by the Manager on behalf of the Acquirer. The April Corrigendum was issued pursuant to the Acquirer having received an approval dated 1 April 2026 from the RBI, wherein (a) the RBI gave its prior written consent to the Acquirer for acquiring up to 74.00% (seventy-four per cent) and not below 51.00% (fifty-one per cent) of the total paid-up share capital of the Target Company, on the terms and conditions as contemplated under the Investment Agreement; (b) the RBI accorded, to the Acquirer, dispensation from the dilution and glide-path requirement as stipulated under the Acquisition Guidelines; and (c) the RBI provided approval to the Acquirer under the 'Scheme for setting up of wholly owned subsidiaries by foreign banks in India, 2013' (issued by the RBI) read with Paragraph F2.1.(g)(i) of the table in Schedule I of the NDI Rules, to hold shares of the Target Company, and concurrently for a temporary period, to operate in India as a branch of a foreign bank ("**RBI Acquisition Approval**"), which was subject to certain stipulations, as follows ("**RBI Stipulations**"):
 - (a) the provisions applicable to foreign banks operating in wholly owned subsidiary (WOS) mode as stated in Chapter IV of the RBI Governance Directions shall be applicable to the Target Company (as a subsidiary of a foreign bank);
 - (b) the requirement to have at least half of the directors attending the meetings of the Board to be independent directors shall not apply to the Target Company, as a subsidiary of a foreign bank; and
 - (c) in light of (a) and (b) above, the RBI has advised the Target Company to suitably amend its Articles of Association and obtain approval of the RBI as required under sub-section (1)(a) of Section 35B of the Banking Regulation Act, 1949.

The RBI Stipulations have necessitated an amendment to the provisions relating to the Acquirer's right to nominate all non-independent directors constituting 50% (fifty per cent) of the Board composition (including with executive directors) in the manner elaborated in the Investment Agreement. Since the RBI has advised the Target Company to suitably amend its Articles of Association in line with the RBI Stipulations, the approval of the shareholders of the Target Company will be required through a special resolution under Section 14(1) of the Companies Act, 2013 for aligning the relevant provisions under its Articles of Association with the RBI Stipulations.

Consequently, the April Corrigendum amended: (a) the provisions of the Public Announcement, Detailed Public Statement and Draft Letter of Offer relating to the Acquirer's right to nominate all non-independent directors (including with executive directors) on the board of the Target Company, to be subject to applicable law (including, without limitation, Chapter IV of the RBI Governance Directions), with such right automatically falling away upon the Acquirer ceasing to hold more than 50% (fifty per cent.) of the share capital (on a fully diluted basis); and (b) the definition of "Required Statutory Approvals" in the Public Announcement, Detailed Public Statement and Draft Letter of Offer to include, as an additional approval for the Target Company having obtained the approval of the RBI as well as the approval of its shareholders, through a special resolution, for amendment of its Articles of Association to give effect to the revised board composition requirements, as advised by the RBI under

the RBI Acquisition Approval.

7. As on the date of this Letter of Offer, neither the Target Company nor the Manager to the Open Offer has received any complaints in relation to the Open Offer made by the Acquirer to the Public Shareholders of the Target Company.
8. To ensure alignment with the RBI Acquisition Approval, amendments to the provisions in relation to nominating non-independent directors in the Board were made to the Investment Agreement vide the Amendment Agreement. For further information in relation to the amendments to the Investment Agreement, please refer to paragraph 12 of Part A (*Background to the Open Offer*) of Section III (*Details of the Open Offer*) of this Letter of Offer.
