Limited Review Report on Financial results for Quarter ended on 31st December, 2024 of RBM INFRACON LIMITED

To,
The Board of Directors,
RBM INFRACON LIMITED,

Introduction

We have reviewed the accompanying statement of unaudited financial results of RBM Infracon Limited for the quarter ended on 31st December 2024.

Management is responsible for the preparation and fair presentation of this interim financial information in accordance with the regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountant of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion. We have been appointed as an independent auditor of the company from financial year 2024-25 and onwards. We have not conducted an audit of the Annual financial statements of the company for any prior financial years. To comply with the requirements of SRE 2410, we have obtained an understanding of the entity and its environment, including internal controls related to preparation of interim financial information, to the extent it seemed necessary to us in framing our conclusion. In absence of access to earlier period data, we are not in position to verify the comparative figures of earlier periods and hence we have relied on figures certified by the management and previous Auditor of the Company.

Conclusion

Based on our review conducted as above, nothing has come to our attention, except para 1 to 3 below, that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

1. The GST Department conducted a search at companies' head office and has raised a demand of Rs. 9.94 crore out of which Rs. 4.30 crore was paid, and balance is outstanding. Management has represented before us that an appeal will be filed against the said demand and considering the same, no Liability is created for said demand in books and amount paid is booked as a current asset. **However, no appeal under section 107 of CGST Act is filed as on date of this report.**
2. For the Quarter 3 of F.Y 2024-25, Revenue from operations of Rs. 65 crores include unbilled revenue of Rs. 40 crores. This requires technical analysis and professional judgement from competent professional. We are not in position to vouch the accuracy of the same and in such a scenario we have relied on figures as certified by the management of the company. The management has certified that the said unbilled revenue is fully booked as on date of signing of the report.
3. As informed by the management, books for the said period have been audited by the Internal Auditor of the company, however we have not received the Internal Audit report till the time of signing our limited review report.
