Progress Update: ONGC Nandej Field Project

Mumbai, 20th March 2025: With reference to our Oil and Gas Production Enhancement Contract (PEC) for the Nandej oil and gas field with Oil and Natural Gas Corporation (ONGC), the agreement was signed in November 2024, and the project was officially handed over to RBM Infracon in January 2025.

RBM is proud to announce the successful commissioning of our first Hydraulic SRP at Well No. 12—a cutting-edge system designed for enhanced operational efficiency. With the 42KL tank already in place, we are set to commence production, following the completion of the EC job, which is starting soon.

This milestone highlights our commitment to innovation, efficiency, and strategic growth in the energy sector. As RBM continues to expand its footprint in oil & gas exploration, we remain dedicated to delivering high-value, technology-driven solutions that ensure sustainable growth and long-term success for our stakeholders.

About RBM Infracon Limited:

RBM Infracon Limited boasts a wealth of experience and expertise in EPC (Engineering, Procurement, and Construction) Contracts within Mechanical & Civil Engineering Construction Services and in Oil & Gas production. The company's commitment is rooted in delivering comprehensive solutions tailored to a diverse range of industries, including refineries, jetties, petrochemicals, fertilizers, cement, power plants, Met-Coke manufacturing, and beyond.

At RBM Infracon, excellence is a cornerstone, offering unparalleled services that reflect a dedication to quality, innovation, and client satisfaction across the spectrum of mechanical and civil disciplines. The company's leading presence in the construction market is backed by over three decades of experience, providing customized solutions to various sectors with a forward-thinking approach to meeting future demands today.

The Corporate Office is located in Jamnagar, Gujarat, with a registered satellite office in Ahmedabad and project offices spread across various states of India. Situated in a well-developed industrial region, the Corporate Office benefits from easy access to major clients, resources, and streamlined logistics. This ensures timely delivery according to customers' requirements, often exceeding expectations and providing a competitive edge over counterparts.

The facility boasts robust infrastructure, a well-defined array of plant, machinery, and equipment, highly qualified management staff, a skilled labor force, and excellent mobility and infrastructure. Driven by the vision, "The Resonance of Excellence," RBM Infracon Limited aims to attain a level of excellence that stands not only as an achievement but creates a lasting and impactful effect, resonating in various ways across time.
