On 18th September 2024,

1. An order for CPP Boiler Bank & Water wall tubes replacement job was received from **Nayara Energy Limited**. The order value is **₹1.5 crore**. Dated 11th September 2024, this order has a validity period from 1st September 2024 to 31st July 2025.
2. **Reliance Industries Limited** placed an order for UG piping fabrication & laying, including associated civil work for Train-1 (5 GW), PV Manufacturing Complex at Reliance Jamnagar. The order value is **₹1.31 crore**. Dated 13th September 2024, this order has a validity period from 14th September 2024 to 30th November 2024.
3. An order for cased crossing work was received from **Kalpataru Projects Limited**. The order value is **₹0.96 crore**. Dated 9th September 2024, this order has a completion schedule of 1 month.

With the addition of new orders amounting to ₹14.77 crore**, the total order book has now surpassed ₹4,898 crore,** underscoring the company's strong market position and impressive growth trajectory.

Mr. Jay Bajrang Mani, Chairman & Managing Director of RBM Infracon Limited, commented on these new orders " We are delighted to announce the addition of these significant orders, which reflect the trust our clients place in our capabilities and the strong market demand for our services. These new contracts, particularly from esteemed clients are a testament to our expertise in handling complex EPC projects and delivering top-tier services.

The growing order book, now exceeding ₹4,898 crore, not only strengthens our position in the industry but also underscores our commitment to consistently delivering high-quality services and solutions. As we continue to expand our footprint in the infrastructure and engineering sectors, these contracts will play a crucial role in driving our growth.

About RBM Infracon Limited

RBM Infracon Limited boasts a wealth of experience and expertise in EPC (Engineering, Procurement, and Construction) Contracts within Mechanical & Civil Engineering Construction Services. The company's commitment is rooted in delivering comprehensive solutions tailored to a diverse range of industries, including refineries, jetties, petrochemicals, fertilizers, cement, power plants, Met-Coke manufacturing, and beyond.

At RBM Infracon, excellence is a cornerstone, offering unparalleled services that reflect a dedication to quality, innovation, and client satisfaction across the spectrum of mechanical and civil disciplines. The company's leading presence in the construction market is backed by over three decades of experience, providing customized solutions to various sectors with a forward-thinking approach to meeting future demands today.

The Corporate Office is located in Jamnagar, Gujarat, with a satellite office in Ahmedabad and project offices spread across various states of India. Situated in a well-developed industrial region, the Corporate Office benefits from easy access to major clients, resources, and streamlined logistics. This ensures timely delivery according to customers' requirements, often exceeding expectations and providing a competitive edge over counterparts.

The facility boasts robust infrastructure, a well-defined array of plant, machinery, and equipment, highly qualified management staff, a skilled labour force, and excellent mobility and infrastructure. Driven by the vision, "The Resonance of Excellence," RBM Infracon Limited aims to attain a level of excellence that stands not only as an achievement but creates a lasting and impactful effect, resonating in various ways across time.
