- **Extendable up to:** 5 years in the contract period
- **LOI Date:** 06-09-2024
- **Contract Signing Date:** 25-11-2024

Mr. Jay Bajrang Mani, Chairman & Managing Director of RBM Infracon Limited, commented “ This landmark project with ONGC is more than a contractual milestone – it represents our vision to be at the forefront of India’s energy transformation. By leveraging our expertise in oil, gas, and emerging green energy technologies, we are not just executing a project, but actively contributing to the nation’s energy security and technological innovation.

We are moving beyond traditional boundaries, positioning ourselves as a holistic energy solutions provider that can seamlessly integrate conventional hydrocarbon extraction with emerging sustainable energy technologies.”

About RBM Infracon Limited

RBM Infracon Limited boasts a wealth of experience and expertise in EPC (Engineering, Procurement, and Construction) Contracts within Mechanical & Civil Engineering Construction Services. The company’s commitment is rooted in delivering comprehensive solutions tailored to a diverse range of industries, including refineries, jetties, petrochemicals, fertilizers, cement, power plants, Met-Coke manufacturing, and beyond.

At RBM Infracon, excellence is a cornerstone, offering unparalleled services that reflect a dedication to quality, innovation, and client satisfaction across the spectrum of mechanical and civil disciplines. The company’s leading presence in the construction market is backed by over three decades of experience, providing customized solutions to various sectors with a forward-thinking approach to meeting future demands today.

The Corporate Office is located in Jamnagar, Gujarat, with a satellite office in Ahmedabad and project offices spread across various states of India. Situated in a well-developed industrial region, the Corporate Office benefits from easy access to major clients, resources, and streamlined logistics. This ensures timely delivery according to customers’ requirements, often exceeding expectations and providing a competitive edge over counterparts.

The facility boasts robust infrastructure, a well-defined array of plant, machinery, and equipment, highly qualified management staff, a skilled labor force, and excellent mobility and infrastructure. Driven by the vision, “The Resonance of Excellence,” RBM Infracon Limited aims to attain a level of excellence that stands not only as an achievement but creates a lasting and impactful effect, resonating in various ways across time.
