Sub: Clarification of Observation of Exchange on quick result submitted to the Exchange dated 26-May-2025.

Dear Sir/Madam,

Please find below the pointwise clarification on observation of Stock exchange on the quick result submitted to the Exchange dated 26-May-2025 for the year ended and quarter ended 31st March 2025.

1. Financial results submitted is not as per format prescribed by SEBI-SOD certificate not provided

Clarification: Statement on Deviation or variation was submitted in Integrated Filing – Finance therefore we had not submitted the same in PDF, but we received an email from NSE regarding the submission of SOD if not submitted with financials results PDF and as per NSE email we submitted statement of SOD within time as prescribed on the NEAPS portal under the below mentioned path: NEAPS > COMPLIANCE > Announcements > Announcements/CA>Updates.

2. Machine Readable Form / Legible copy of Financial Results not submitted

Clarification: we have submitted clear and Legible copy of Financial Results but due to physical signature by Managing Director we are not able to submit the same in the Machine Readable Form, we have attached digitally signed copy which is in Machine Readable Format as **Annexure**.

3. Segment details not submitted

Clarification: Company is in Single Segment, no multiple segments are there, the financial results belong to single segment only, therefore we have not submitted segment details.

4. Financial results submitted in XBRL with discrepancies- Mismatch in EPS figures mentioned in XBRL and PDF.

Clarification: the auditor of the company has calculated EPS on the basis of Weighted Numbers of shares during the year, therefore the EPS comes to 13.41 and 11.24 for the half year ended and year ended 31st March 2025 respectively. But while submitting Integrated filing – Finance we have calculated EPS on the basis of number of shares outstanding as on 31st March 2025 therefore there is difference between EPS figures in integrated filing – finance and PDF. Now correction made as per Audited Financial Statements.

We will take care to avoid such kind of mistakes in future submissions.

Please take the same on your record and oblige.

Thanking You!

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The company's Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting

from fraud of higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- b. Obtain an undertaking of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(1)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d. Conclude on the appropriateness of Management's use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events and conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw an attention in our auditor's report to the related disclosures in the financial results or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

- a. The financial results include the result for the half year ended 31st March 2025 being the balancing figure between the audited figures in respect of the full financial year and the unpublished unaudited year to date figures upto half year ended 30th September 2024. Half yearly figures upto half year ended 30th September 2024 were not published earlier as the company had included audited financial results for the period up to 31st December 2024 in the Red Herring Prospectus filed with the stock exchange prior to the Company's listing.

- b. The Financial results are based on and should be read with the audited financial statement of the company for the year ended 31st March 2025 on which we issued an unmodified opinion vide our report dated 26th May 2025.
