With reference to the above cited subject and references, I would like to inform that I had enclosed all the documents as required by your company since 2018, expect Indemnity bond, Affidavit and Transmission of shares (filled in form) on 30.7.2021. Many times I had replied and each time you send few Originals or Notarised copies and I send them back along with what is required. I had also sent cancelled cheque and attested pan in my previous reply. It was State Bank of India cheque. Anyway, again I am sending Canara Bank cancelled cheque.

I don't understand how negligent and careless your office personal are, as they have sent my papers to my sister and few to me on the same day, which she sent back to me. I don't know to whom you have sent the last page of my Affidavit. I have sent the matter which was there on that Affidavit. Regarding Sureties - Bank account details which were hand written is there on the Notarised Affidavit. Please search for that paper as I had not taken a copy of it before sending it to your office. I had always taken full care of my documents by stapling the papers and sending them to you.

I would like you to transfer the shares into my name without any further delay.

Kindly do the needful and oblige.
