Dear Sir(s),

**Ref.: BSE and NSE email dated June 4, 2025 on clarification / confirmation on news item appearing in “Media / Publication”**

This is in reference to the above emails seeking clarification from the Company on the recent news item which appeared in the “www.businesstoday.in” dated June 03, 2025 captioned “Reliance Infra becomes first private Indian firm to develop next-gen 155mm artillery shells”. In response to the queries raise, we submit as under:

- a) The Company has a number of Defence SPVs that are engaged in the Defence related business. One of the Defence SPV of the Company is in the process of development of ammunition with the DRDO project of the Government of India. The activities are routine in nature as per the objectives of Company. There were no negotiations as per our knowledge and information
- b) There is no information that has not been announced as required under applicable regulations. The development of ammunition by a subsidiary Company is in the normal course of business and is not a disclosable event. The Company has made appropriate disclosures to the Stock Exchanges in terms of Regulation 30 of the SEBI Listing Regulations as and when required including the events mentioned in the above referred article. Further, the movement in price is based on the market sentiments and the Company is not in a position to comment on the same.
- c) As on date, there is no order on the Company from Indian Army for ammunition under development. Accordingly, the impact of this article is not ascertainable at this stage.

Yours faithfully,

For **Reliance Infrastructure Limited**
