The company is facing tight liquidity situation as a result of which there have been delays/defaults in payment to lenders, statutory liabilities, salaries to employees and other dues. However, considering substantial improvement in real estate sector recently, the Management is of the opinion that all such issues will be resolved in due course by required finance through alternate sources, including sale of non-core assets.
- 4. Figures for the previous quarter / period have been regrouped, wherever necessary, for the purpose of comparison.
