Remsons Industries secures landmark ₹ 300 crore order from Stellantis North America

Mumbai, May 15, 2025: Remsons Industries Limited, a leading automotive components manufacturer, proudly announces a landmark achievement in its global journey, securing an order approximately ₹ 300 crore (USD 35 Million) from Stellantis North America. This represents the single largest business win to date for the company.

“This is not just a new project; it is a moment that defines our journey and reaffirms the faith that global automotive leaders place in our capabilities, quality, and commitment,” said Rahul Kejriwal, Executive Director of Remsons Industries Limited.

The agreement marks a significant milestone in Remsons’ international expansion and underscores its strong commitment to excellence, innovation, and customer satisfaction. It further solidifies the company’s global footprint and opens the door to enhanced opportunities in North America and beyond.

“This milestone reflects the strength of our collective persistent efforts and unwavering commitment,” Amit Srivastava, Group CEO added.

The partnership with Stellantis North America will see Remsons supplying critical components for iconic vehicle platforms such as the Jeep Wrangler and RAM, strengthening its position as a global automotive leader. Also Remsons shall supply products for Smart car and 3-Wheeler into Stellantis Europe.
