Company Statement

REMSONS INDUSTRIES LIMITED, today announced proactive, preventive and pre-emptive measures at all its offices and manufacturing locations in India, to ensure employees' safety and contain spread of the Corona Virus (Covid-19). In light of heightened concern on spread of Corona Virus in all States of India, we have decided to suspend the manufacturing operations at our Gurugram Plant, Daman Plants and Gujarat Plant with immediate effect till March 31, 2020, or upto such period as may be directed by the Central / respective State Governments in this regard.

Employees' well-being and safety are matters of utmost priority at Remsons. We are carefully monitoring the rapidly spreading Covid-19 pandemic and will continue to take swift and appropriate actions at other plants across the nation should the situation warrants. Meanwhile, workings at all our offices at Mumbai, Gurugram, Daman and Gujarat have already been suspended and implemented Work from Home directions. Several other measures including highest standards of hygiene and promoting social distancing at all the offices and manufacturing locations across the country have been taken.

REMSONS INDUSTRIES LIMITED will continue to closely monitor the situation and take appropriate actions as per regulatory and administrative guidance / directives.
