MEDIA RELEASE

REPL bagged order regarding preparation of GIS based Master Plan for development of industrial corridor Dhuriyapar worth Rs. 35 Lakhs approx.

New Delhi, 6th November 2020: Rudrabhishek Enterprises Limited (REPL), a prominent infrastructure player with over two and half decades of experience in providing Integrated Urban Development & Infrastructure solutions, announced that the Company has been awarded a new project by **GIDA Gorakhpur Industrial Development authority** for the Preparation of GIS based Master Plan & sectoral plan for development of industrial corridor Dhuriyapar. The project site is spanned over 5500 Acres (2300 Ha approx.) and located at, GIDA, Gorakhpur, (U.P). The order is worth approx. Rs. 35 lakhs with an execution period of 240 days or till the completion of the Project.

REPL will be engaged for the Collection and review of available data, Site analysis, Boundary survey, Market study and demand assessment, Planning the development needs, Preparation of GIS based Master Plan with suitable zoning, Study of Internal & External Infrastructure (Roads, Water, Sewerage, Storm Water, Power, Solid Waste Management), Development of sectoral plans & project structuring, Initial environmental and social impact assessment and preparing project Implementation Plan. This will not only help in improving the connectivity of the region but will also enhance the existing social infrastructure such as sanitation, healthcare, education and recreation facilities.

Mr. Pradeep Misra, CMD, Rudrabhishek Enterprises Limited (REPL) said:

"The technology is playing a defining role in the infrastructure development of the country. We have been working on various projects across India using GIS technology for quite a long time. Our expertise has enabled us in executing these projects with greater efficiency and now that experience will help us in UP too.

Dr. Harish Sharma, (Head of the Business Development Department), REPL said, "For the given project we will be preparing a detailed GIS based Master Plan with suitable zoning which will be preceded by the formulation of key design and development principles for the Master Plan. Other things these will include KPIs (Key Performance Indicators) for
