Media Release

Bags prestigious OBPAS Project from Govt of Uttar Pradesh

BOO order with contractual period of five years – extendable to five more years

RIPL (wholly owned subsidiary of REPL) - responsible for on ground implementation and execution of project

8th May 2019, New Delhi: Rudrabhishek Enterprises Ltd. (NSE EMERGE: REPL) Rudrabhishek Enterprises Limited (REPL) (NSE), is one of the oldest and prominent players with over two and half decades of experience in providing Integrated Urban Development & Infrastructure solutions. REPL is well positioned to execute various projects through planning, designing, execution and marketing. REPL specializes in Hi-tech Township, Smart City, IT Park or SEZ. The Company is involved in the Smart City Mission of Government of India. REPL, through its wholly owned subsidiary RIPL (Rudrabhishek Infosystem Pvt. Ltd.) has recently bagged a prestigious order for the implementation of OBPAS (Online Building Plan Approval System) from Housing & Urban Planning Department, Govt. of Uttar Pradesh on a BOO (Build Operate Own) model.

RIPL in consortium with an Indian software company will provide software solution for automating the process of scrutiny of building plans and granting the necessary approvals through OBPAS (Online Building Plan Approval System). The consortium will be responsible for the customization of a proven COTS (Commercial Off the Shelf) application and operations and maintenance of the software application and the infrastructure for 5 years which is extendable to more 5 years at the end of the first term. The work order is for all 28 Development Authorities, 5 Special Area Development Authorities and 7 offices of UPAVP (Uttar Pradesh Awas Avam Vikas Parishad, U.P.) covering building and layout plan approvals for the entire state. The revenue stream from this project is on per square meter basis from the end customer.

Managements' Comments:

Commenting on the development, Mr. Pradeep Misra, Chairman & MD, Rudrabhishek Enterprises Limited (REPL) said: "We are very pleased to share that we have been awarded this prestigious project by the UP Government, on account of our vast experience in large scale project implementation and adds yet another feather to our cap. Our collaboration also enables us to provide a customized, flexible and best possible solutions to our clients and end users. This will also enable us to achieve greater execution capabilities."

Mrs. Soumya Das, Director, RIPL added "OBPAS would be launched and open for customer access in the next 3-4 months. RIPL, thereafter, will be responsible for implementation and execution of the software on ground at the 40 locations over the period of next five years. However our extensive experience of working in Uttar Pradesh as well as in project

implementation makes us an able candidate for a such huge project. At this early stage, it is difficult to quantify the size and potential of this project and estimate the resulting revenue to the Company. As the project progresses and demand traction builds up, we will be in a better position to quantify certain details.”
