MEDIA RELEASE

Company wins order to implement Pradhan Mantri Awas Yojana for Pune Metropolitan Region

The Approx. Rs. 60 crore order, awarded by PMRDA, covers systematic end-to-end implementation of the project

New Delhi, 9th September 2019: Rudrabhishek Enterprises Limited (REPL) (NSE EMERGE: REPL), a prominent infrastructure player with over two and half decades of experience in providing Integrated Urban Development & Infrastructure solutions, announced that the Company has been awarded a new project to implement the Pradhan Mantri Awas Yojana development in Pune Metropolitan Region. The order is worth approx. Rs. 60 crores with an execution period of three years.

The Company would develop an implementation portal to enable end-to-end paperless online execution of the project. The project also involves development of in-house MIS system, an Android application for project monitoring and beneficiary complaint redressal, demand generation through various publicity mediums, door-to-door validation of beneficiaries for eligibility under the scheme, and various other monitoring facilities at various stages of the project.

REPL has already started revalidation work as well as further PMC work of the project which includes around 15,000 beneficiaries. The implementation of the scheme will be done in 842 villages which come under PMRDA and proposed for urbanization.

Management Comments:

Commenting on this development, **Mr. Pradeep Misra, Chairman & MD, Rudrabhishek Enterprises Limited (REPL)** said:

"It is really a great honor to be a part of a scheme which aims to benefit the masses. The scheme caters to the housing requirements of the urban poor along with slum dwellers living with inadequate infrastructure, poor sanitation and drinking facilities. The benefits of the scheme make great impact on the socio-economic structure of the nation. With the government taking steady and swift steps towards achieving the target, this will prove to be of much benefit to huge populace of the country. Backed by the successful execution of various projects in five different states in the country, we are high on confidence that we will be able to execute this project effectively."
