REPL appointed as Functional Plan on Education and Skill Development for National Capital Region Planning Board of Ministry of Housing & Urban Affairs

New Delhi, 10th Oct, 2023: National Capital Region Planning Board (NCRPB) of Ministry of Housing & Urban Affairs, New Delhi has appointed Delhi-based Urban Development Infrastructure Consultancy company, Rudrabhishek Enterprises Ltd. (REPL) as Consultant to prepare the Functional Plan on “Education and Skill Development” with reference to National Capital Region Regional Plan 2041 (NCR RP-2041) which is under finalization.

Assignment Details:

This Functional Plan preparation exercise would include studies, collection of primary and secondary data of education sector, data analyses and interpolation, formulation of strategies, proposed interventions and identification of projects at regional, sub-regional and local level, as deemed fit, within the coverage and overall framework of NCR RP-2041. The Counter Magnet Areas (CMAs) may also be touched upon in the identified Functional Plans. The Functional Plans will include the identification of associated infrastructure and other investment projects for the NCR.

This functional plan shall focus on Education aspect across NCR and amongst people of all ages and genders and education levels i.e primary, secondary to higher studies, specializations etc. and also extend to the aspect of employability through the appropriate education and skilling, and will have various sub plans as may be deemed necessary and may not be limited to the suggested sub plans. A separate skill development sub plan would be worked out, focusing on skilling with employability. Further, the basic education and trainings required for NCR inhabitants for being future ready to handle and manage the Digital revolution that the country is undergoing, is also to be focused upon.

The assessment, analysis and proposals shall be, addressing the infrastructure aspects of education and skill sector, at micro to macro level, also covering adequate number of teachers and skilling staff, opportunities, skilled manpower for core education and ancillary services, online & offline education & skilling avenues and basic literacy and skill status of NCR inhabitants. The plan shall not only provide the related solutions in terms of physical and social infrastructure, but also ways to enable the major shift of education and skilling facilities to digital level with E-education and Smart E-education Infrastructure and other futuristic technology application.

This Functional Plan shall be prepared in 9 months time; and further after approval of the plan by NCRPB, REPL shall provide 12 months handholding support.

For this assignment, REPL shall work under a lump-sum fee based contract; payments shall be released against assignment milestones.
