MEDIA RELEASE

REPL bagged order worth Rs. 11.42 crores approximately to provide Consultancy service to National Highway & Infrastructure Development Corporation Limited (NHIDCL)

New Delhi, 11th August 2020: Rudrabhishek Enterprises Limited (REPL) (NSE EMERGE: REPL), a prominent infrastructure player with experience of more than 27 years in providing Integrated Urban Development & Infrastructure solutions, announced that our Company, in association with Lion Engineering Consultants Private Limited, has bagged a new order worth approx. **Rs. 11.42 crores** approximately from National Highway & Infrastructure Development Corporation Limited (NHIDCL). This order has enabled us to enter into new vertical in new geographical region, thus adding new feathers to our company by entering into field of building infrastructure of our country.

REPL, in association with Lion Engineering Consultants Private Limited, would provide consultation service for Authority's engineer for supervision of NHIDCL in overall management of NHIDCL project which will cover widening & improvement of Imphal-Moreh section to Two-lane with paved shoulder; construction of Moreh Bypass to Two-lane with paved shoulder near Indo-Myanmar border and widening/strengthening of two laning with hard shoulder of Pallel-Chandel section, in the State of Manipur on Engineering, Procurement & Construction (EPC) mode .

Management Comments:

In an official statement, Mr. Pradeep Misra, Chairman & MD, Rudrabhishek Enterprises Limited (REPL) said:

"I am extremely pleased to share that REPL, in association with Lion Engineering Consultants Private Limited, has bagged new order from National Highway & Infrastructure Development Corporation Limited (NHIDCL), a fully owned company of the Ministry of Road Transport & Highways, Government of India, to provide EPC services for widening/improvement of Imphal- Moreh section, Moreh Bypass and Pallel-Chandel section in the State of Manipur. This further cements our market presence as the go-to PMC specialists, and more importantly expands our geographical coverage to new regions across the nation. These contracts reflect the increasing recognition of our Company from local governments in the country. We strive to build on our strategy to deliver timely and quality services and contribute to the development of our nation's infrastructure"
