## MEDIA RELEASE

### *REPL appointed for providing GIS Based Plans Haldwani Uttarakhand Project*

### *Order worth Rs. 45.36 Lacs (excluding GST)*

**New Delhi, 18<sup>th</sup> February, 2021:** State Mission Directorate of Uttarakhand has appointed Delhi-based Infrastructure Consultancy firm REPL to prepare GIS-based master plan of Haldwani under AMRUT scheme with design standards of National Urban Information System (NUIS).

REPL will prepare the master plan of the city for the horizon year 2041 that includes demand assessment, identification of issues, projected requirements, development strategy and draft proposals on the GIS base map and sector-wise data analysis. The preparation of the master plan will also include aspects of employment generating activities, industries, retail and malls, educational facilities, medical facilities and several other community facilities.

**Mr. Pradeep Misra, CMD-REPL** said, "There has been a significant change in the pattern of urban development after the announcement of various GOI programmes. Formulation of GIS-based Master/Development Plans for AMRUT Cities is one of the important reforms which is 100% centrally funded. This plan will provide an edge to the city for achieving integrated and sustainable urban and regional development."

**Dr. Harish Sharma, ED (Smart City & Infrastructure Services), REPL** said, "This project will provide a roadmap for regulating future growth in a planned manner for development. While preparing the GIS based master plan we will review all sectoral policies, strategies and plans on regional economic development, industrial policy, tourism and heritage conservation etc. The master plan will be prepared integrating the road pattern and land uses including Physical and Transport infrastructure such as electricity, water supply, sewerage, solid waste management, road transport, terminals etc in a Geospatial enabled platform are some of the important aspects for plan formulation."

The company will use urban and socio-economic data as an input for studying the existing situation, identification of issues and formulation of proposals and projections. Database will be created and surveys will be conducted - including land use survey, socio-economic, traffic, transport and other surveys.

REPL is already working on many infrastructure and planning projects for both the state and central government pan India including Smart Cities, PMAY, BIM consultancy for Chennai
