Madurai Smart City Ltd. appoints REPL as PMC consultant

Madurai, 18 November 2021: Madurai Smart City Limited (MSCL) has appointed Delhi-based public limited infrastructure consultancy company Rudrabhishek Enterprises Ltd. (REPL), as Project Management Consultants (PMC) for Monitoring and Supervising of Underground Sewerage Scheme (UGSS). The project is of Madurai Corporation for North of Vaigai River Phase II (Package I, II and III).

MSCL is currently engaged in developing the Lakes Restoration & Rejuvenation cum Green NMT (Non-Motorized Transport) Corridor Project in Madurai. For supporting this Project, MSCL has on boarded REPL to monitor the sanitation project implementation.

In an official statement, **Mr. Pradeep Misra, CMD-REPL said**, Madurai is the state cultural and heritage capital and also the gateway to South Tamil Nadu. It is of extreme importance in the context of Tamil Nadu being an Education, industrial and business center of the state. These characteristics of the city attract migrants and the floating population which puts pressure on the existing civic amenities. As the city is expanding rapidly, the civic infrastructure, especially water supply and sanitation, require an effective and improved sewerage system. While providing PMC support on the Madurai Smart City project, we will bring our best and innovative experience of sanitation projects from 8 other smart cities.

Dr. Harish Sharma (ED-REPL) shared that DPR has been prepared and contractors have already undertaken detailed field surveys, given the variations (as applicable) and have commenced the work. REPL will support MSCL in overall project management which includes project planning, budgeting, supervising, managing, evaluating, reporting and coordination to ensure timely project implementation. REPL will also prepare Quality Assurance Plan (QAP) and Inspection Test plan (ITP) to improve water supply and sanitation facilities.

REPL has already been working on several Smart City Projects that include – Varanasi, Indore, Kanpur, Moradabad, Dehradun, Itanagar, Jabalpur, and Vellore. Additionally, it is working on multiple PMAY projects; BIM consultancy for Chennai Metro Rail Phase II; Sewerage Management System for Thiruvananthapuram; OBPAS (Online Building Plan Approval Systems) in U.P.; Rural water supply scheme in Assam; and similar other projects in Infrastructure and Urban Development.

About REPL (www.repl.global)

Rudrabhishek Enterprises Limited (REPL), with a legacy of more than 29 years, has become an established brand in the domain of Urban Development & Infrastructure Consultancy. REPL is an ISO 9001:2015 and ISO/IEC 27001:2013 certified organization, listed on National Stock Exchange (NSE).

The Group has successfully planned and delivered complex assignments of diverse nature such as Residential, Commercial, Group Housing & Integrated Township projects; Hospitals, Hotels & Recreational facilities; Water Supply, Sewerage & Sanitation Systems; Smart Cities; Regional & Master Plans; and Road & Highways.
