REPL awarded JJM Project in Jalpaiguri, West Bengal

Kolkata, June 21st, 2022: Rudrabhishek Enterprises Ltd. (REPL), a leading Delhi-based infrastructure consultancy company, has been appointed by the PHE Directorate, Jalpaiguri Division, West Bengal to prepare Detailed Project Report (DPR) for Implementation of New Piped Water Supply Scheme for uncovered areas under Jalpaiguri District Block-Mal. REPL will prepare **21 DPRs** to cover **72 villages** of Mal block in Jalpaiguri District.

Through this project, the government envisions providing a safe and adequate drinking water supply to people in their households in the Jalpaiguri division, thereby considerably improving health and living conditions. REPL will prepare Piped Water Network Systems including carrying out the route survey using Differential Global Positioning System (DGPS). It will also draw a layout plan of the water distribution and transmission network.

Mr. Pradeep Misra, CMD-REPL said, "Jal Jeevan Mission is a major flagship program with an ambitious target of providing tap-water to all households in rural areas by 2024. Our focus will be to closely follow the overall program guidelines and incorporate the key elements such as sustainability and community centricity. With the application of advanced technology, the idea is to create an institutional framework that becomes self-sustainable in the long run. The tap water connection at the doorstep has a far-reaching socio-economic impact on rural livelihood systems. We have been working on similar projects under JJM on various other locations and it will be our privilege to work on the project alongside the state government and local community."

Dr. Harish Sharma, ED-REPL said, "REPL will prepare the supply network, including rising main, for earmarked block. Plans will have all the components of Pipe Water Supply Schemes (PWSS) such as OHR, TW, Pump House etc. REPL will prepare detailed engineering and design documents including cost estimate and bid documents. Company is already working on DPRs for the piped water supply scheme in 'Katwa sub-division of Purba Bardhaman District', West Bengal for PHED to cover 98 villages."

Apart from working on various water supply projects, REPL is doing infrastructure and planning projects for both the state and central government at pan India level. Those include Smart Cities projects, PMAY, BIM consultancy, GIS-Based master plans, Roads & Highways, street vending plans, online building plan approval system, etc.
