MEDIA RELEASE

RIPL subsidiary of Rudrabhishek Enterprises Ltd appointed for GIS based consultancy services for preparation of City Street Vending Plan Assam

New Delhi, February 22nd, 2021: Assam State Urban Livelihoods Mission Society (ASULMS) has selected Rudrabhishek Infosystem Pvt. Ltd. (RIPL), subsidiary of Rudrabhishek Enterprises Ltd. (REPL) involved in GIS based services, to provide consultancy services for preparation of City Street Vending Plans under Support to Urban Street Vendors (SUSV) component of Deendayal Antyodaya Yojana National Urban Livelihood Mission (DAY-NULM).

This project will provide proper space to vendors at a designated place. They can carry out their business with minimum hindrance in vehicular and pedestrian traffic flow, which will lead to the cleaner and litter-free market place. Vendors will get the improved civic facilities under coming vending zones. Customers will also experience good pedestrian access and parking under this development plan.

Mr. Surendranath Das, DGM - GIS, RIPL said, "The project aims to promote sustainable development of the large informal and unorganized workforce in the urban areas. Our experience of working on similar project in Haryana, U.P. and Punjab gives us an edge. With expertise in using latest technology, we are confident that we will execute the project with finesse."

The project will cover 24 districts in 2 phases. Districts are Barpeta, Bongaigaon, Dhemaji, Dhubri, Dibrugarh, Diphu, Goalpara, Golaghat, Haflong, Hailakandi, Jorhat, Kajalgaon, Karimganj, Kokrajhar, Mangaldai, Morigaon, North Lakhimpur, Nagaon, Nalbari, Silchar, Sivasagar, Tezpur, Tinsukia and Udalguri. RIPL will identify the street vendors and classify them under three categories: Stationary, Peripatetic/Wandering and Mobile.

The project includes identification of areas which may be further classified as restriction-free, restricted and prohibited vending zones, GIS based city mapping, biometric survey, vendor census survey, street vending plan and detailed implementation plan. RIPL will also prepare the web enabled MIS system, which will help Urban Local Bodies (ULB) to maintain the records easily without duplicity. Through this, ULB can track and monitor the overall process.

Plan will also include the infrastructure improvement such as paving, water supply, toilets, waste disposal facility, lighting, sheds and parking space based on consultations with

Rudrabhishek Enterprises Limited
