Dear Sir/Madam,

**Subject: Clarification on discrepancies in submission of Financial Results in XBRL format for the quarter ended September 30, 2025**

With reference to your email dated January 09, 2026 and March 04, 2026, regarding the Discrepancy in the Financial Results submitted in XBRL format by the Company for the quarter ended September 30, 2025, we would like to provide our response as detailed below:

**Discrepancy:** Financial results submitted in XBRL with discrepancies - half yearly figures submitted instead of Quarterly Results.

Upon reviewing the matter, we acknowledge that an inadvertent error occurred during the submission process. Specifically, for both the Standalone and Consolidated Financial Results, the "Half Yearly" category was mistakenly selected instead of the "Quarterly" category, as the financial results pertained to both the quarter and half-year ended September 30, 2025. As a result, the half-yearly data was populated, and the quarterly financial figures were not submitted, as the system did not present the correct option due to this error.

We would like to clarify the following:

1. **Standalone Financial Results:** The Standalone results were mistakenly submitted under the "Half Yearly" category. The correct filing should have been under the "Quarterly" category, with the second quarter and half year figures for the period ended September 2025.
2. **Consolidated Financial Results:** Similarly, the Consolidated results were submitted under the "Half Yearly" category, when they should have been filed as "Quarterly" results for the second quarter ended September 2025.

We understand the importance of adhering to the correct filing format and timelines. We sincerely apologize for this oversight and assure you that we are taking immediate corrective actions to resolve this issue.

To rectify the matter, we will re-submit the financial results in XBRL format under the correct "Quarterly" category, ensuring that the accurate figures for the second quarter ended September 30, 2025, are included for both Standalone and Consolidated results.

We hereby submit the "Revised Financial Statements" (Standalone & Consolidated) for your reference / records. We are also taking steps to prevent such discrepancies in the future.

Thanking You,

Yours faithfully,
