Responsive Industries welcomes the rise in basic customs duty on vinyl flooring

Mumbai, Friday, July 5, 2019: Responsive Industries Limited (“Responsive”) welcomes the decision to increase basic customs duty on vinyl flooring to provide a level playing field and to protect the domestic manufacturers from rising imports. The duty which was earlier 10% will now be 15% for vinyl flooring.

We thank the Hon’ble Minister of Finance for addressing the issue of rising imports of vinyl flooring. We acknowledge that this move would not only help the sector strengthen manufacturing in India but also give a boost to vinyl flooring exports from India, a massive step towards establishing “Make in India”.

The sensitiveness of the Government to the industry problems is very encouraging and gives us and the industry, confidence to grow strongly.
