- 19 Major events which affected Refinery performance and revenues are :
During first quarter of operation, the Refinery complex faced unprecedented water scarcity affecting plant operation nearly for a month and half. During second quarter of operation, the Refinery complex has been affected by a minor landslide as an aftermath of the intensified monsoon in Dakshina Kannada District, hence as a precautionary measure, structured shutdown of the Phase-III process units of the Refinery was taken from August 18, 2019 to access the condition of the facilities in the vicinity and for immediate stabilization and after taking necessary corrective action, Phase III operations of the refinery were resumed in a phased manner by September 17, 2019. During Fourth quarter of operation, the outbreak of COVID-19 pandemic globally and resultant lockdown in many countries, including India from March 25, 2020 has impacted the business of the Company. Consequently lower demand for crude oil and petroleum products has impacted the prices and refining margin globally. Since the petroleum products are under essential services, the refining operations of the Company was continued during the lockdown period. Due to lock down there was reduction in sales for the Company.

The lock down of COVID-19 is continuing for financial year 2020-21 and the Company is continuing its operation with current lower demand and margins as these products are falling under essential goods and services. Management is expecting that demand for products will improve on post removal of lock down on stabilisation of COVID-19. Management has assessed the potential impact of COVID 19 based on the current circumstances and expects no significant impact on the continuity of operations of the business on long term basis/ on useful life of the assets/ on long term financial position etc. though there may be lower revenues and refinery throughput in the near future.

Notes to Consolidated Financial Results:

- 1 The Audit Committee has reviewed the above results and the same have been subsequently approved by the Board of Directors in their meetings held on 9th June, 2020.
- 2 The Audited Accounts are subject to Supplementary Audit by the Comptroller and Auditor General of India under section 143(6) of the Companies Act, 2013.
- 3 The financial results have been audited by the Statutory Auditors as required under Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.
- 4 The financial results of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended). These financial results have been prepared in accordance with the recognition and measurement principles of Ind AS, prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India.
- 5 The cost of inventories recognized as an expense includes ₹ 1,121.24 crore (Previous Year ₹ 8.45 crore) in respect of write down of inventories to net realisable value. There has been no reversal of such write down in current year and previous year. The outbreak of COVID-19 Pandemic globally and the nationwide lockdown from March 25, 2020 along with other normal factors has resulted in a steep fall in crude prices and lower product margins for the petroleum products and consequently the Group inventories held were written down to their net realisable value.
- 6 The Group has adopted Ind AS 116 'Leases' effective from 1st April 2019 and applied the Standard to its leases using modified retrospective transition method. This has resulted in recognizing a Right-of-Use Assets of ₹ 815.06 crore and Lease Liability of ₹ 243.88 crore as at 1st April 2019. The net decrease in Profit Before Tax on the consolidated financial results for the year ended on 31st March 2020 is for ₹ 5.32 crore.
- 7 The Group has recognised Deferred Tax Asset of ₹ 1,467.76 crore for the year ended March 31, 2020.
- 8 The Group has "Petroleum Products" as single reportable segment.
- 9 Figures for the previous periods have been re-grouped wherever necessary.
- 10 Major events which affected refinery performance and revenues are :
During first quarter of operation, the Refinery complex faced unprecedented water scarcity affecting plant operation nearly for a month and half. During second quarter of operation, the Refinery complex has been affected by a minor landslide as an aftermath of the intensified monsoon in Dakshina Kannada District, hence as a precautionary measure, structured shutdown of the Phase-III process units of the Refinery was taken from August 18, 2019 to access the condition of the facilities in the vicinity and for immediate stabilization and after taking necessary corrective action, Phase III operations of the refinery were resumed in a phased manner by September 17, 2019. During Fourth quarter of operation, the outbreak of COVID-19 pandemic globally and resultant lockdown in many countries, including India from March 25, 2020 has impacted the business of the Group. Consequently lower demand for crude oil and petroleum products has impacted the prices and refining margin globally. Since the petroleum products are under essential services, the refining operations of the Group was continued during the lockdown period. Due to lock down there was reduction in sales for the Group.

The lock down of COVID-19 is continuing for financial year 2020-21 and the Group is continuing its operation with current lower demand and margins as these products are falling under essential goods and services. Management is expecting that demand for products will improve on post removal of lock down on stabilisation of COVID-19. Management has assessed the potential impact of COVID 19 based on the current circumstances and expects no significant impact on the continuity of operations of the business on long term basis/ on useful life of the assets/ on long term financial position etc. though there may be lower revenues and refinery throughput in the near future.
- 11 The figure of the last quarter are the balancing figures between the audited figures of the financial year and the published result upto the third quarter of the respective financial years.
- 12 The above results are available on the websites of NSE and BSE at www.nseindia.com and www.bseindia.com respectively, and on the Company's website at www.mrpl.co.in.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. Emphasis of Matter

We draw your attention to Note no. 19 to the Standalone Financial Results which describes the uncertainties due to outbreak of novel coronavirus (COVID-19) that has caused significant business disruptions worldwide. The extent to which the COVID-19 pandemic will have impact on the Company's assets and financial performance is dependent on future developments which are highly uncertain.

Our opinion is not modified in respect of this matter

Management's Responsibilities for the Standalone Financial Results

This statement, which is the responsibility of the company's management and approved by the Board of directors, have been prepared on the basis of related quarterly and standalone financial statements of the company. The Company's Board of Directors are responsible for the preparation and presentation of these financial results that give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the Indian Accounting Standards prescribed under Sec 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such

disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the standalone financial results of the company to express an opinion on the standalone financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Group, and its jointly controlled entity in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw your attention to Note no. 10 to the Statement of Consolidated Financial Results which describes the uncertainties due to outbreak of novel coronavirus (COVID-19) that has caused significant business disruptions worldwide. The extent to which the COVID-19 pandemic will have impact on the Groups financial assets and performance is dependent on future developments which are highly uncertain.

Our opinion is not modified in respect of this matter.

Board of Directors' Responsibility for the Consolidated Financial Results

These Consolidated financial results have been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net loss and other comprehensive income and other financial information of the Group including its jointly controlled entity in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group and of its jointly controlled entity are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its jointly controlled entity and for preventing and detecting frauds and other irregularities;

selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial results, the respective Board of Directors of the companies included in the Group and of its jointly controlled entity are responsible for assessing the ability of the Group and its jointly controlled entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its jointly controlled entity are responsible for overseeing the financial reporting process of the Group and of its jointly controlled entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its jointly controlled entity to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its jointly controlled entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its jointly controlled entity to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
