In the event that estimated utilization out of the funds in any given financial year is not completely met, the same shall be utilised in the next financial year.	The delay in implementation of the project is primarily attributable to changes and upgradation in technology. During this period, the Company engaged in multiple rounds of discussions with vendors to evaluate suitable technological solutions aligned with evolving industry standards. The vendor is currently in the process of arranging and finalizing the Upgraded technology. Accordingly, the Company was unable to complete the said object during FY 2025–26, and the same shall be carried forward and implemented in the subsequent financial year, i.e., FY 2026–27. Company have issued Some Po's however we are awaiting revert from Suppliers regarding Delivery & Installation timeline.
Pursuing Inorganic Growth	March 31, 2026	-	35	The Company had undertaken initiatives to acquire 76% equity in a company engaged in the customize furniture manufacturing segment, with the objective of expanding its sales and distribution network. Necessary discussions and preliminary evaluations were carried out in this regard. However, due to commercial considerations and other mutually relevant factors, the proposed transaction could not be concluded and, accordingly, the acquisition did not materialize.	The Company will continue to explore suitable acquisition opportunities in the customized furniture manufacturing segment to expand its sales and distribution network, subject to commercial viability and mutually agreeable terms.
