Monthly Business Update (Annexure I)

- Ritco Logistics Limited has proudly created history with a groundbreaking achievement in bulk transportation. We successfully managed the movement of hundred of Tons of food grains, including Yellow Peas and Red Lentils, imported by ETG Agro, from the EJC Yard of Kolkata Dock System to Silchar. This monumental feat was accomplished using a dedicated mini rake of the Indian Railways, comprising several wagons. This milestone underscores Ritco's exceptional expertise in orchestrating complex logistics operations and our commitment to delivering innovative and efficient solutions. By leveraging the power of multimodal transportation, Ritco continues to set new benchmarks in the logistics industry, ensuring seamless service and unmatched reliability for our valued clients.
- Ritco Logistics Limited is honored to receive the prestigious recognition as the **Highly Valued Logistics Partner** for handling the **maximum volume of polymers** by HPCL-Mittal Energy Limited (HMEL), Bhatinda—a joint venture of Hindustan Petroleum Corporation Limited and Mittal Energy for FY 2023-24. This esteemed accolade is a testament to Ritco's unparalleled commitment to excellence, operational efficiency, and the ability to deliver innovative logistics solutions tailored to meet the dynamic needs of leading industries. Our unwavering dedication to optimizing supply chain management has played a pivotal role in strengthening this partnership with HMEL, a name synonymous with energy and innovation.
- Ritco Logistics Limited is proud to announce its prestigious achievement of securing a significant biannual transportation contract by road from Rashtriya Ispat Nigam Limited (RINL), Vizag. Valued at an impressive ₹29.7 crore, this contract underscores Ritco's unwavering commitment to excellence and its unparalleled capabilities in delivering seamless and efficient logistics solutions.
- Ritco Logistics Limited is delighted to announce the acquisition of a prestigious transportation contract from Steel Authority of India Limited (SAIL), Bokaro. This contract, valued at ₹6.43 crore, is set to span two years, reflecting the enduring trust and confidence that SAIL places in Ritco's superior logistics capabilities. Under this agreement, Ritco will manage the transportation of goods from SAIL's Bokaro plant to various strategic destinations across India.
- Ritco Logistics Limited is proud to announce its latest achievement in securing a prestigious road transportation contract from Bharat Heavy Electricals Limited (BHEL), Jagdishpur. This esteemed contract, valued at ₹9.27 crore, underscoring Ritco's reputation for delivering excellence in logistics solutions.

Monthly Business Update (Annexure I)

- Ritco Logistics Limited is delighted to announce the award of a prestigious annual road transportation contract from ONGC Petro Additions Limited (OPAL), Dahej. Valued at an impressive ₹31.34 crore, this significant partnership stands as a testament to Ritco's expertise in delivering reliable, efficient, and cost-effective logistics solutions. This contract reflects OPAL's trust in Ritco's robust capabilities and our unwavering commitment to operational excellence.
- Ritco Logistics Limited is pleased to announce its remarkable achievement of securing a prestigious road transportation contract from ESL Steels Limited (ESL), a Vedanta Group company. This significant contract, valued at ₹14.37 crore, underscoring Ritco's position as a trusted logistics partner for leading industries. This collaboration with ESL highlights Ritco's unwavering commitment to delivering dependable, efficient, and tailor-made logistics solutions.
- **Encryption at Rest** : Ensure all sensitive data stored in the platform is encrypted to prevent unauthorized access. We are using Transparent Database Encryption (TDE), Column-Level Encryption with strong encryption algorithms like AES-256.
- **Advanced AI Algorithm** : Our platform uses advanced AI to turn data into clear, actionable insights, helping businesses make smarter decisions in real time. By analyzing large amounts of data, our AI finds patterns, predicts trends, and uncovers hidden opportunities, giving businesses a deeper understanding of the business . This not only improves decision-making and boosts efficiency but also helps businesses stay agile and ahead of their competitors. What sets us apart is our AI's ability to predict challenges with greater accuracy, allowing businesses to stay one step ahead.
