Monthly Business Update (Annexure I)

- In February 2025, Ritco Logistics Limited has achieved a significant milestone by securing a prestigious transportation contract worth ₹7 Crore from Exide Industries Ltd. The contract entrusts Ritco Logistics with the critical task of transporting Exide's finished goods to various locations across the country. This win further solidifies Ritco's reputation as a trusted logistics partner for leading industries.
- Ritco Logistics Limited has further strengthened its industry leadership by securing a prestigious transportation contract worth ₹7.89 Crore from Varun Beverages Ltd., Jammu. This strategic partnership underscores Ritco's commitment to delivering seamless and efficient logistics solutions, ensuring the smooth movement of goods to various locations. With its robust infrastructure and expertise, Ritco continues to set benchmarks in the logistics sector.
- Ritco Logistics Limited continues to expand its footprint in the renewable energy and manufacturing sectors by forging strategic partnerships with industry leaders. The company has commenced logistics services for Premier Energies Ltd., a leading fully integrated Solar Cell and Solar Module manufacturer based in Hyderabad, reinforcing its presence in the green energy supply chain.
- Further strengthening its growth trajectory, Ritco has also begun large-scale operations with Lumino Industries Ltd., Kolkata, a premier manufacturer of Cables, Conductors, and Wires, ensuring seamless transportation and supply chain efficiency.
- **Customised Fleet:** Ritco Logistics has strategically customized and deployed a dedicated fleet to serve Jindal Steel & Power Ltd., JSW Steel Ltd., and Jindal Stainless Ltd. on a long-term basis. This tailored approach ensures seamless, efficient, and reliable logistics support for their operations. Recognizing the growing demands of the steel industry, Ritco plans to further expand its fleet, strengthening its presence and increasing its share of business with these leading steel manufacturers. This initiative will play a crucial role in supporting their logistics needs as they scale up production volumes, reinforcing Ritco's commitment to driving efficiency and growth in the steel sector.
- Ritco Logistics Limited Expands its 3PL & Warehousing Vertical with New Strategic Partnerships.

Continuing its growth momentum in the 3PL & Warehousing sector, Ritco Logistics Limited has successfully on boarded new clients in February 2025, further solidifying its position as a trusted logistics partner.

Monthly Business Update (Annexure I)

Mangalore Refineries & Petrochemicals Ltd. : Secured a long term contract for managing their warehousing & 3PL operations at Hyderabad which strengthening Ritco's presence in the industrial supply chain.

- **Microservices Architecture:** Decoupled platforms ensure scalability and fault tolerance with Kubernetes and Docker. Maintenance costs drop as only specific services need updates. Multitenant architecture implemented.
- **IAM Implementation:** Implementing role-based access control to ensure secure, restricted user permissions through a framework of technologies and policies.
