**Ref: Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**Sub: Commissioning of 317 MW of renewable energy capacity**

Dear Madam / Sir,

This is to inform you that the Company has successfully commissioned 317 MW of renewable energy capacity with hydro capacity of 240 MW, solar capacity of 34 MW and wind capacity of 43 MW, taking the installed capacity to 13,097 MW.

The Press Release in this regard is attached.

Yours faithfully,

For **JSW Energy Limited**

**Monica Chopra**  
Company Secretary

**JSW Energy Commissions 317 MW RE Capacity in August; Installed Capacity Stands at 13.1 GW**

**Mumbai, India — September 11, 2025** – JSW Energy Limited (“The Company”) is pleased to announce that it has commissioned renewable energy (“RE”) capacity of 317 MW during the month of August 2025, taking the installed capacity to 13,097 MW.

The capacity addition is well-diversified across generation sources with Hydro (Kutehr) comprising of 240 MW, wind at 43 MW and solar at 34 MW. Share of renewables in the overall capacity increases to 57% constituting of wind capacity at 3,617 MW, solar capacity at 2,192 MW and hydro capacity at 1,631 MW.

This capacity addition is timely in nature and will enable the Company to benefit from the peak renewable generation season during the year and will contribute meaningfully to overall renewable output.

JSW Energy has total locked-in generation capacity of 30.3 GW comprising of 13.1 GW operational, 12.7 GW under-construction across thermal and renewable and has pipeline of 4.6 GW. The company also has 29.4 GWh of locked-in energy storage capacity through hydro pumped storage projects of 26.4 GWh and battery energy storage system of 3.0 GWh. The Company aims to reach 30 GW generation capacity and 40 GWh of energy storage capacity by FY 2030 and achieve Carbon Neutrality by 2050.

**ABOUT JSW ENERGY:** JSW Energy Ltd is one of the leading Private sector power producers in India and part of the USD 23 billion JSW Group which has significant presence in sectors such as steel, energy, infrastructure, cement, sports among others. JSW Energy Ltd has established its presence across the value chains of power sector with diversified assets in power generation, and transmission. With strong operations, robust corporate governance and prudent capital allocation strategies, JSW Energy continues to deliver sustainable growth, and create value for all stakeholders. JSW Energy began commercial operations in 2000, with the commissioning of its first 2x130 MW thermal power plants at Vijayanagar, Karnataka. Since then, the company has steadily enhanced its power generation capacity from 260 MW to 13.1 GW, ensuring diversity in geographic presence, fuel sources and power off-take arrangements. The Company is presently constructing various power projects to the tune of 12.7 GW, with a vision to achieve a total power generation capacity of 30 GW by 2030.

**Forward Looking and Cautionary Statements:**

Certain statements in this release concerning our future growth prospects are forward looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition within Power Industry including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our internal operations, reduced demand for Power, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which JSW Energy has made strategic investments, withdrawal of fiscal governmental incentives, political instability, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company.
