Respected Sir,

Greetings to you at the outset.

We are a Public Limited Company, listed on the National Stock Exchange, on its SME Platform. Please allow us to submit a Humble Request, regarding late filing, of our Annual Accounts for the current financial year ended on 31.03.2022.

The Brief Background is as follows:

- 1) We are listed on NSE (SME) 04.10.2017.
- 2) We have had excellent record with regards filing and Compliance.
- 3) In order to further improve our systems, we shifted our Company Accounts from Tally Module to SAP, w.e.f. 01.04.2021.
- 4) Unfortunately Our CFO Mr. Ajit Kulkarni had to go on leave due to the prolonged illness of his wife, who is presently in Coma. Just then some of the other staff in Accounts Department have been relieved and new Persons have been recruited just recently.
- 5) It is due to this that Finalisation of Accounts has been delayed. Though we are trying our best, we may not be able to file necessary Returns in the stipulated time, for which we request your kind permission.

And for this act of kindness, we shall always be grateful.

Please Condon the delay caused.

Thanks, once again for all your support and guidance

With Best Regards,

Sincerely Yours,

Vijaykumar Hanmant Kshirsagar

Director
