**Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Update on Incorporation of Wholly Owned Subsidiary Company**

Dear Sir/Madam,

With reference to our earlier intimation dated **05<sup>th</sup> September, 2026**, wherein the Board of Directors of **RNFI Services Limited** had approved the proposal of Setting up a **Wholly Owned Subsidiary (WOS) in India** for undertaking the business of Peer to Peer (P2P) Lending, subject to necessary approvals from the relevant regulatory authorities.

We would like to inform you that the Ministry of Corporate Affairs (MCA) has approved the name “**RNFI CREDIT TECHNOLOGIES PRIVATE LIMITED**” for the proposed Wholly Owned Subsidiary.

P2P lending is a technology-enabled intermediary platform model that facilitates lending transactions between lenders and borrowers. The proposed subsidiary is intended to operate as an intermediary platform and will not undertake lending from its own balance sheet or deploy its own funds for lending, subject to applicable regulatory requirements and requisite regulatory approvals.

The incorporation process of “**RNFI CREDIT TECHNOLOGIES PRIVATE LIMITED**” is currently underway in accordance with applicable laws, and necessary filings will be made with the Registrar of Companies.

The Company believes that its existing network provides a meaningful foundation for scaling the proposed platform, while the creation of a dedicated subsidiary will allow the business to be developed with focused technology, operations, governance and regulatory oversight.

This is for your information and record.
