Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Receipt of RBI No-Objection for acquisition of control of Smart Payment Solutions Private Limited

Dear Sir/Madam,

Further to our earlier disclosures regarding the proposed acquisition of Payworld Digital Solutions Private Limited (“PDSPL”) and its subsidiary Smart Payment Solutions Private Limited (“SPSPL”), we wish to inform you that the **Reserve Bank of India**, vide its letter **dated October 29, 2026**, has conveyed its **no-objection** to the execution of the remaining tranches of the proposal and the consequential change in control of SPSPL. The transaction will be completed in accordance with the applicable RBI requirements, including the issue of a public notice by SPSPL.

Strategic rationale

The acquisition is a significant step in strengthening RNFI’s presence in digital payments:

- **PPI issuer within the RNFI group:** On completion, SPSPL, an RBI-authorised issuer of Prepaid Payment Instruments (PPIs), will become a part of the RNFI group.
- **Expanding into digital payments:** Adding a licensed PPI business complements RNFI’s existing portfolio, which spans banking correspondent services, payments, insurance distribution and collections. It extends the group’s presence in digital payments.
- **Strengthening the group’s regulated Portfolio:** SPSPL will sit alongside the group’s other regulated entities, broadening the range of payment and financial services licences held across the RNFI group.

We will keep the Exchange informed of further developments, including completion of the transaction.
