Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
Rolex Rings Limited

1. We have reviewed the accompanying statement of unaudited financial results of Rolex Rings Limited (the "Company") for the quarter ended September 30, 2026 and year to date from April 01, 2026 to September 30, 2026 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above , nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

The financial results are prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable.

2 The Company's business falls within single business segment of diversified auto components. Hence, disclosures under Ind AS 108- Operating Segments are not reported separately.

3 The Board of Directors on April 23, 2026 and the shareholders through postal ballot on May 31, 2026 approved the buyback of up to 10,000,000 equity shares (representing 3.76% of the paid-up equity share capital) from eligible equity shareholders other than the promoters, promoter group and persons in control of the Company, at a price of INR 180 per share for an aggregate consideration not exceeding INR 1,800 million, in accordance with the Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018, the Companies Act, 2013 and the rules made thereunder.

During the quarter ended September 30, 2026, the Company concluded the buyback of 10,000,000 equity shares (at a price of Rs. 180 per equity shares) as approved by Board of Directors. This has resulted in a total cash outflow of INR 1821.46 million (including transaction cost related to buyback of INR 21.46 million). In line with requirement of the Companies Act, 2013 an amount of INR1790.00 million and INR 21.46 million has been utilised from share premium and retain earnings respectively. 5(a) During the year ended March 31, 2026, the Company entered into a full and final settlement with the Consortium of Banks towards the Right to Recompense (RoR) matter for INR 1,010 million. Accordingly, the Company recognised the differential amount of INR 504 million as an exceptional item during the year ended March 31, 2026, over and above the provision of INR 506 million recognised up to March 31, 2025. The settlement amount was paid on March 31, 2026.

5(b) On 21 November 2025, the Government of India notified four Labour Codes effective immediately replacing the existing 29 labour laws. The impact of implementation of the Labour Codes has resulted in increase of INR 12.41 million in the liabilities for defined benefit obligation. Considering that the impact arising from the enactment of the new legislation is an event of a non-recurring nature, the Company presented this incremental amount as an "Exceptional item" in the Statement of Profit and Loss for the year ended March 31, 2026.

6 Statement of cash flow for the half year ended September 30, 2026 and September 30, 2025 is given in annexure 1.
