SAP Pinnacle Awards 2014

Rolta Receives 2014 SAP® Pinnacle Award: OEM Partner of the Year

Mumbai, India —April 22, 2014 — In recognition of its outstanding contributions as an SAP partner, Rolta today announced it has received a 2014 SAP® Pinnacle award as "OEM Partner of the Year". SAP Pinnacle awards are presented annually to the top SAP partners that have excelled in developing and growing their partnership with SAP and driving customer success. Finalists and winners in 21 categories were based on field recommendations, customer feedback and performance indicators in the following five umbrella categories: Run Together (for co-innovation), Run Further (for market expansion), Run Clever (for service delivery), Run Sustainably (for sustainability) and new for 2014 Customers' Choice.

"We are extremely pleased that Rolta has been selected as one of the handful of companies for the prestigious SAP Pinnacle award, and the OEM partner of the year, chosen from over 11,500 SAP partners worldwide," said K.K. Singh, chairman and CEO of Rolta. "This award recognizes Rolta's success in its endeavor to co-innovate with SAP to develop state-of-the-art solutions based on big data, mobility and cloud technologies, thereby bringing greater value to our joint customers,".

Through the global strategic OEM partnership, Rolta is able to provide customers across the world with leading-edge business analytics and big-data solutions. Rolta OneView™ Enterprise Suite is a field-proven platform that is designed to exploit the power of SAP technologies including the SAP HANA® platform, SAP IQ software, SAP Predictive Analysis software and the SAP Strategy Management application. Rolta OneView has relevant SAP components embedded within it, and its flexible architecture facilitates building solutions that are tailor-made to address the specific needs of organizations in a variety of industries, including oil and gas, chemicals, power, utilities, manufacturing and transportation. This award recognizes Rolta for making the best use of SAP technology, and delivering greater value to customers while driving the most strategic level of innovation.

"Together with our partners – who are co-innovating with us, reselling and implementing our solutions – we offer choice and deliver transformational value to our joint customers of all sizes," said Mark Ferrer, chief operating officer, Global Customer Operations and executive vice president, Ecosystem and Channels, SAP. "Partners like Rolta are our force multipliers, and today, more than ever, they are essential to our customers' success. We congratulate Rolta for its outstanding partnership with SAP and well-deserved 2014 SAP Pinnacle award."

Rolta's customers have benefitted from integrated operational excellence solutions based on Rolta OneView, as they offer consistent information with actionable intelligence to stakeholders across the enterprise, empowering them to make timely mission-critical decisions at different levels of the organization by integrating information across business functions in the enterprise. SAP and Rolta are working together in the global marketplace including opportunities in the U.S., Europe, Middle East, and Asia Pacific regions.

The SAP Pinnacle awards shine a spotlight on SAP's partners' remarkable work, recognizing their intelligence and their capacity to challenge what is possible to help customers run better. Award winners will be formally recognized at SAPPHIRE® NOW, SAP's international customer conference being held in Orlando, Fla., June 3-5.

About Rolta

Rolta is a leading provider of innovative IT solutions for many vertical segments, including Federal and State Governments, Defense/HLS, Utilities, Process, Power, Financial Services, Manufacturing, Retail, and Healthcare. By uniquely combining its expertise in the IT, Engineering and Geospatial domains, Rolta develops exceptional solutions for these segments. The Company leverages its industry-specific know-how, rich repository of intellectual property that spans photogrammetry, image processing, geospatial applications, business intelligence, analytics, field-proven solution frameworks, and deep expertise in cutting-edge technologies like Geo BI, Analytics, Cloud computing, Software Defined Infrastructure and Big Data for providing sophisticated enterprise-level integrated solutions. Rolta is a multinational organization headquartered in India. The Company operates from 40 locations worldwide through its subsidiaries, and has executed projects in over 45 countries. The Company benchmarks its quality processes to the world's best standards, like successful assessment for Software Application Development and Maintenance at the highest Level 5 of SEI's CMMI® version 1.3. Rolta is listed on the Bombay Stock Exchange & National Stock Exchange, and forms part of various indices on BSE/NSE in India. The Company's GDRs are listed on the Main Board of London Stock Exchange. The Company's 'Senior Notes' are listed on Singapore Stock Exchange.
