Rolta Enters Turkey for its flagship Rolta OneView® Enterprise Suite Appoints iTelligence Turkey as Authorized Distribution Partner

Mumbai – Rolta today announced that it has appointed iTelligence Turkey – Elsys Bilgi Sistemleri A.S. as its Authorized Distributor in Turkey to extend its reach into this high growth market. iTelligence Turkey will promote Rolta solutions including BI and Big Data Analytics with a special focus on the flagship Rolta OneView™ Enterprise Suite. This Suite uniquely integrates IT and OT systems to provide comprehensive "out-of-the-box" BI and Analytics with over 3000+ pre-built KPIs across verticals specifically designed for Oil & Gas, Petrochemicals, Chemicals and Utilities verticals, amongst others. The solution incorporates 200+ in-built industry specific business value scenarios for each vertical and facilitates real-time, predictive and prescriptive analytics to address a variety of business transformation programs such as operations excellence, overall equipment effectiveness, composite risk management, etc. by delivering cross functional visibility and situation awareness.

iTelligence Turkey is a leading IT consulting and services company, the top SAP reseller and SAP HANA partner in Turkey and one of the top Platinum Partners of SAP globally. It is part of the iTelligence NTT Data Business Solutions organization that has 4500+ professionals globally.

Speaking on the occasion, Mr. K.K. Singh, Chairman & Managing Director of Rolta said, "We are very pleased to appoint iTelligence Turkey as our authorized distributor to address the high growth Turkish market. This is yet another step in execution of our strategy to expand into the untapped emerging global markets through strategic partnerships."

Mr. Savas Kombam, President & CEO of iTelligence Turkey said, "Asset intensive industries are looking for pre-built industry-specific technology solutions for driving Operational Excellence. We found Rolta OneView™ to be a unique pre-built OT-IT powered Operational Analytics solution with a rapid ROI and a quick implementation timeframe. In partnership with Rolta, we are looking forward to addressing the significant needs for such solutions in our market."
