Rolta Taps New Global Markets for its flagship Rolta OneView® Enterprise Suite
Appoints Distribution Partners in China, Russia and Germany

Mumbai – Rolta today announced that it has appointed Distributors in China, Russia and Germany to extend its reach in these untapped markets. These partners will promote Rolta solutions including BI and Big Data Analytics with a special focus on the flagship Rolta OneView™ Enterprise Suite. This Suite uniquely integrates IT and OT systems to provide comprehensive "out-of-the-box" BI and Analytics specifically designed for Oil & Gas, Petrochemicals, Chemicals and Utilities verticals, amongst others. With over 200+ in-built industry specific business scenarios for each vertical, it facilitates real-time, predictive and prescriptive analytics to address a variety of business transformation programs such as operations excellence, overall equipment effectiveness, composite risk management, etc. by delivering cross functional visibility and situation awareness.

These Partners have been selected after a careful evaluation of their track-records and their credentials in the area of BI/Big Data Analytics. Each partner is very active in its respective market and has a substantial customer base in the industries of relevance to Rolta's business. They are highly respected in the industry for their professional approach to addressing customers' business problems.

- Pactera Technology International Limited: A global IT services company with its HQ in China employs 22,000+ professionals to serve its customers. They have a strong Enterprise Applications & BI practice and is one of the top SAP partners in China. Pactera is already serving many of the leading Oil & Gas, Chemical and Utilities customers in China.
- SAPRUN Group: A leading BI, Analytics and ERP services player rated amongst the top IT companies in Russia. They are also one of the top SAP partners serving Oil & Gas, Chemicals and Utilities verticals.
- Yukon Digital GmbH: A digital business technology consulting company based in Germany. Yukon is highly focused on helping customers achieve digital transformation in the chemicals vertical. The founding partners of Yukon digital have decades of experience in the Chemicals Industry including BASF.

Speaking on the occasion, Mr. K.K. Singh, Chairman & Managing Director of Rolta said, "We decided to embark on an ambitious expansion program to extend our reach for our products and solutions which are receiving very good response in markets served directly by Rolta. Going forward, we plan to expand the partner network significantly for wider coverage of our products and solutions into new territories and markets."

About Rolta: Rolta is a leading provider of innovative IP-led IT solutions for many vertical segments, including Federal and State Governments, Defense/HLS, Utilities, Oil & Gas, Petrochemicals, Financial Services, Manufacturing, Retail, and Healthcare. Rolta is recognized for its extensive portfolio of indigenous solutions based on field-proven Rolta IP tailored for Indian Defense/HLS. By uniquely combining its expertise in the IT, Engineering and Geospatial domains, Rolta develops exceptional IP-based Cloud-ready solutions to enable its customers globally to readily exploit the power of BI, Big Data Analytics, and IT-OT Fusion. Rolta is a multinational organization headquartered in India. The Company operates from over 40 locations worldwide and has executed projects in more than 45 countries.
