## ROX Hi-Tech Limited Achieves Cisco Preferred Partner Status in Networking and Security, Strengthening Its Enterprise Technology Leadership

**Chennai, India – August 5, 2026:** ROX Hi-Tech Limited (NSE: ROXHITECH), a leading AI-led digital transformation and enterprise technology solutions provider, has been recognized as a **Cisco Preferred Networking Partner** and **Cisco Preferred Security Partner** under the **Cisco Partner Program**. These recognitions represent Cisco's highest partner designation and reaffirm ROX's expertise in delivering advanced networking and cybersecurity solutions to enterprises.

The Cisco Preferred Partner status is awarded to organizations that demonstrate strong technical capabilities, certified expertise, a track record of customer success, and the ability to deliver high-quality technology solutions aligned with Cisco's global standards.

These recognitions reinforce ROX's standing as a trusted enterprise technology partner to build secure, resilient, and future-ready IT environments. They further strengthen the Company's ability to support customers across networking infrastructure modernization, cybersecurity transformation, and cloud connectivity.

### Management Commentary

Commenting on the achievement, **Mr. Jim Rakesh, Managing Director, ROX Hi-Tech Limited**, said:

*"Achieving Cisco Preferred Partner status in both Networking and Security is a significant milestone for ROX Hi-Tech. This recognition reflects our strong technical capabilities, customer-centric approach, and commitment to delivering world-class enterprise technology solutions. As businesses continue to accelerate their digital transformation journey, secure and intelligent network infrastructure has become a strategic priority. These certifications further strengthen our partnership with Cisco and enhance our ability to deliver innovative, secure, and scalable solutions that create long-term value for our customers."*
