ROX Hi-Tech Limited Honoured as Digital Transformation Partner at Data Center Champion Awards 2026

Chennai, India – September 17, 2026: ROX Hi-Tech Limited (NSE: ROXHITECH), a leading AI-led digital transformation and enterprise technology solutions provider, has been honoured with the **“Digital Transformation Partner”** award at the prestigious Data Center Champion Awards, held as part of the **Data Center & Infra Summit 2026**.

The summit was organised by Express Computer, part of The Indian Express Group, and held on September 11 and 12, 2026 at ITC Grand Chola, Chennai. The platform brought together participants from across the data centre and digital infrastructure ecosystem.

The award recognises ROX Hi-Tech’s contribution to enabling enterprises to modernise their technology environments through scalable, resilient and AI-ready infrastructure solutions. It also highlights the Company’s focus on building next-generation digital foundations that can support evolving business requirements, increasing data workloads and the growing adoption of artificial intelligence.

ROX works with enterprises across their digital transformation journeys, combining technical expertise, solution capabilities and strategic partnerships to design and implement secure, agile and future-ready IT environments. The recognition also reflects the trust placed in the Company by its customers and partners and acknowledges the collective efforts and dedication of Team ROX.

Management Commentary

Commenting on the achievement, **Mr. Jim Rakesh, Managing Director, ROX Hi-Tech Limited**, said:

“We are honoured to receive the ‘Digital Transformation Partner’ award at the Data Center Champion Awards 2026. This recognition reflects our technology capabilities, customer-centric approach, strong partnerships and the commitment of Team ROX. As enterprises prepare for an increasingly data-driven and AI-led future, we remain focused on helping them build scalable, resilient and secure digital infrastructure that supports long-term business transformation and growth.”
